Direct Market Ordering Catalog for Products Shipping in December

Hello comic retailers and fans!

Welcome to PRH Panels, the Penguin Random House catalog for the Direct Market, highlighting the incredible graphic novels, manga, games, and more that debut every month. We can't wait for you to find the next story to inspire and entertain you, and the latest games and gifts to bring you together.

October is the first month PRH is distributing single issue comic books! It's taken a lot of hard work, and the feedback we've gotten from retailers has been key in evolving this process. Our team is thrilled to bring your favorite Marvel comics to the shelves! Retailers who have any questions about the ordering process, or would like to open an account with PRH, are encouraged to email us at comicmarketUS@penguinrandomhouse.com.

We'll also continue to bring you the best in graphic novels, manga, and more! In the Graphic Novels section, we're taking to the skies with ***Superman: Red & Blue***, a collection of fresh takes on the Man of Steel from Academy Award-winning writer John Ridley (*12 Years a Slave*, *Let it Fall*) and a cavalcade of incredible creators. These stories include personal, quiet reflections on Superman not just as an icon, but as a person just trying to do good in the world.

In the Kids & YA section, we have Jessi Zabarsky's second graphic novel, ***Coming Back***. This is a beautiful story about two young women, Preet and Valissa, navigating a relationship in a fantasy world where everyone has magic... except for Valissa. Torn apart by tragic events, the two will have to figure out who they are as individuals before they can find a way back to each other.

The Manga section is here to make us nostalgic with ***Kamen Rider –The Classic Manga Collection***! Ever heard of a little show called Power Rangers? Well, Kamen Rider is the older sibling in the Super Sentai family, and its influence in pop culture is massive. This special 50th Anniversary Omnibus Edition is the perfect gift for fans new and old, presenting the original run of the manga with exciting bonus materials.

And speaking of perfect gifts, you can't miss ***The Masters of the Universe Book*** in the Games & Gift section. With the Netflix series introducing a whole new generation to Eternia, there's no better time to look back at the history of this unstoppable franchise. Packed with info on the toys, comics, TV series, and even a sneak peek at the reboots, this is a must-have for fans of He-Man and She-Ra. By the Power of Grayskull!

All this and much, much more can be found in this month's PRH Panels. Don't hesitate to explore this catalog and find the perfect new book!

The Graphic Canon of Crime & Mystery Vol 2

Edited by RUSS KICK

Here are Teddy Goldenberg's dense, murky treatment of Dashiell Hammett's "The Road Home," often considered the first hard-boiled detective story ever published. Shawn Cheng renders the first serial-killer story, the so-called fairy tale "Bluebeard" by Charles Perrault. Landis Blair reimagines The Trial as a choose-your-own-adventure story that you cannot win. Plus twenty-three other contributors using a wide range of illustrative styles.

As with previous volumes in the Graphic Canon series, the illustrations run the full gamut of media and techniques, and artistic interpretations range from verbatim literalism to metaphorical extensions to surrealism and abstraction.

A charming isekai tale about a woman's magical entrepreneurship in a fantasy world—which inspired the anime, in English from Funimation! (And don't miss the manga adaptation, also from Seven Seas.)

Sei, a 20-year-old office worker, is whisked away to a whole new world. Unfortunately for Sei, the ritual that summoned her—meant to produce a “Saint” who would banish the dark magic—brought two people over instead of one. And everyone prefers the second girl over Sei?! But this is just fine by Sei, who leaves the royal palace to set up shop making potions and cosmetics with her newfound magic.

24 ORIGINS

The Heroic Warriors

Masters of the Universe action figures hit stores in 1982 as an impressive 5½ inches (14 cm) tall—nearly 2 inches (5 cm) taller than Kenner's *Star Wars* and Hasbro's *G.I. Joe: A Real American Hero* lines. The first wave established the core characters of He-Man and his heroic allies—Man-At-Arms, Teela, Stratos, Zodac, and Battle Cat—facing off against Skeletor and the Evil Warriors. Over the next five years, each wave of toys offered new characters and novelty features. Man-E-Faces, released in 1983, had a dial on his head to turn his face from human to robot to monster, while Mekaneck in 1984 had an extendible neck. In 1985, Moss Man was covered in green flocking and “real pine scent.” Innovations for 1986 included Snout Spout, who squirted water out of his nose-trunk, and transforming Matesbots such as Tusker. Finally, 1987 saw the appearance of Bionatops, a bionic dinosaur, one of the few toys released in a proposed (but canceled) spin-off line, “The Powers of Grayskull.”

170 A NEW ERA

Masters of the Universe Origins: Packaging Art

Launched at San Diego Comic-Con in 2019 with a deluxe two-pack of Prince Adam and He-Man, *Masters of the Universe Origins* begins a new era for He-Man. *Origins* reimagines the vintage 1980s range of 5½-inch (14-cm) action figures, remaining true to the originals but with an updated look and a higher level of articulation—16 working

joints, including neck, shoulders, knees, hips, and more, giving greater options for play and display stances. The new figures include extra details for fans to spot, such as the knife tucked into He-Man's boot, a nod to early concept art of the character. The vintage-style packaging includes newly created artworks and reimagined minicomics.

RAGING BEAST

Always Get the Job Done

Written by JOSEPH JAY FRANCO

In a big wide galaxy you'll find every personality type. There are those who want to work for a large, stable employer like the Imperial Navy, pushing buttons on a space cruiser. There are also those who are content living the simple (but dull) life of a merchant or moisture farmer. And then there are those special few who long for the freelance life.

If you aren't afraid of grueling (and sometimes frowned upon) work, traveling to exotic locations, and being your own boss, you may find guidance in the wise words of those who have been there. *Be More Boba Fett* will help guide you on your path to the independent life of a successful entrepreneur.
