This first volume is the perfect chance to jump into the smash-hit series!

In the Kids & YA section, we're spotlighting the New York Times bestselling graphic novel series' latest release, *Hilo Book 8: Gina and the Big Secret*. These memoirs are simultaneously hilarious, heartbreaking, and deeply relatable—a powerful addition to any manga fan's collection.

Continuing the theme of powerful and personal stories, our Games & Gifts section features *True Believer: The Rise and Fall of Stan Lee*. This definitive biography examines the Marvel icon's mark on pop culture around the world, while asking difficult questions about his legacy. This is sure to be a must-read for any comic fan.

The Nice House on the Lake Vol. 1

Written by JAMES TYNION IV;

Everyone who was invited to the house knows Walter—well, they know him a little, anyway. Some met him in childhood; some met him months ago. And Walter's always been a little...off.

But after the hardest year of their lives, nobody was going to turn down Walter's invitation to an astonishingly beautiful house in the woods, overlooking an enormous sylvan lake. It's beautiful, it's opulent, it's private—so a week of putting up with Walter's weird little schemes and nicknames in exchange for the vacation of a lifetime? Why not?

All of them were at that moment in their lives when they could feel themselves pulling away from their other friends; wouldn't a chance to reconnect be...nice? In *The Nice House on the Lake*, the overriding anxieties of the 21st century get a terrifying new face—and it might just be the face of the person you once trusted most.

Collects *The Nice House on the Lake* #1-6.

They have scores to settle, and they won't hesitate to remove anyone in their way, be it angry mob or army garrison.

Sensei's Pious Lie Vol. 1

Written by AKANE TORIKAI

Torikai's work is a frank and nuanced examination of the emotional and practical effects of sexual violence, rendering the messy realities in gorgeously refined linework and dialogue far more naturalistic than most manga. Misuzu Hara is a quiet, reserved 24-year-old high school teacher whose world is turned upside down after her friend's fiancé rapes her. Her attempt to connect with one of her students, himself a victim of sexual trauma, results in an unlikely romance, and the repercussions of these events affect everyone around them in often unpredictable ways.

True Believer: The Rise and Fall of Stan Lee

Written by ABRAHAM RIESMAN

The definitive, revelatory biography of Marvel Comics icon Stan Lee, a writer and entrepreneur who reshaped global pop culture—at a steep personal cost.

Stan Lee was one of the most famous and beloved entertainers to emerge from the twentieth century. He served as head editor of Marvel Comics for three decades and, in that time, became known as the creator of more pieces of internationally recognizable intellectual property than nearly anyone: Spider-Man, the Avengers, the X-Men, Black Panther, the Incredible Hulk...the list goes on.

But what if Stan Lee wasn't who he said he was? To craft the definitive biography of Lee, Abraham Riesman conducted more than 150 interviews and investigated thousands of pages of private documents, turning up never-before-published revelations about Lee's life and work. *True Believer* tackles tough questions: Did Lee actually create the characters he gained fame for creating? Was he complicit in millions of dollars' worth of fraud in his post-Marvel life? Which members of the cavalcade of grifters who surrounded him were most responsible for the misery of his final days? And, above all, what drove this man to achieve so much yet always boast of more?
