**Direct Market Ordering Catalog for Products Shipping in June and Beyond**

## Hello comic retailers and fans!

Welcome to PRH Panels, the Penguin Random House catalog for the Direct Market, highlighting the incredible graphic novels, manga, games, and more that debut every month. We can't wait for you to find the next story to inspire and entertain you, and the latest games and gifts to bring you together.

Our April catalog, featuring product on sale June 2022 and beyond, has added a new section! Beginning June 1, 2022, PRH is proud to be the exclusive distributor for IDW's comic books. We have a new Comics section within the catalog that highlights their series issues and variant covers on sale beginning June 1st. You'll also find IDW collections and graphic novels within the Graphic Novels section. Welcome to PRH Panels, IDW!

In our new Comics section, we've featured **Transformers: Last Bot Standing #2**. The war for Cybertron may be over, but the war *from* Cybertron never ends! After ages of isolation, the Last Bot meets with the Visitors...but how will the locals react to not only mysterious Visitors from the stars but also a robot in disguise in their midst?! This four-issue miniseries takes fans into the far-flung future with a spectacle of speculative fiction.

Our Graphic Novels section features a hero in a half shell as you've never seen him before with **Teenage Mutant Ninja Turtles: The Last Ronin**. Set in the future, a lone surviving Turtle embarks on a mission seeking justice for the family he lost. From legendary TMNT co-creators Kevin Eastman and Peter Laird, get ready for the final story of the Teenage Mutant Ninja Turtles three decades in the making!

The Kids & YA section is especially magical this month thanks to **Zatanna: The Jewel of Gravesend**. Zatanna walks her giant rabbit on a leather leash down the boardwalk, lives in a colossal architectural wonder known as the Golden Elephant, had her first kiss in the Haunted Hell Gate ride. But the time for having fun in Luna Park comes to an end when a mystic's quest for a powerful jewel unravels everything Zatanna thought she knew about herself and her beloved neighborhood.

There's a new danmei novel featured in our Manga section—**The Husky and His White Cat Shizun: Erha He Ta De Bai Mao Shizun (Novel) Vol. 1**. Also known as 2ha, this wildly popular danmei/Boys' Love novel series from China inspired a multimedia franchise. This historical fantasy epic about a tyrant's second chance at life and the powerful cultivation teacher he can't get out of his mind is a great new addition to the growing wave of Chinese danmei novels. Adults only, though!

Our Games & Gift section has the perfect gift for those eagerly awaiting Stranger Things season 4 on Netflix with **Stranger Things: The Official Coloring Book!** From Hawkins to the Upside Down, explore the strange and spooky world of Stranger Things with this first-ever, official Netflix coloring book.

All this and much, much more can be found in this month's PRH Panels. Don't hesitate to explore this catalog and find the perfect new book! As always, retailers who have any questions about the ordering process or would like to open an account with PRH, are encouraged to email us at [comicmarketUS@penguinrandomhouse.com](mailto:comicmarketUS@penguinrandomhouse.com).
