Direct Market Ordering Catalog for Products Shipping in July and Beyond

Hello comic retailers and fans!

Welcome to PRH Panels, the Penguin Random House catalog for the Direct Market, highlighting the incredible graphic novels, manga, games, and more that debut every month. We can't wait for you to find the next story to inspire and entertain you, and the latest games and gifts to bring you together.

We're kicking off the start of a new line for IDW Publishing in the Comics section with **Dark Spaces: Wildfire #1**, the first of the creator-driven IDW Originals. The legendary writer Scott Snyder teams up with artist Hayden Sherman for the first part of a thrilling anthology series that explores our deepest fears of the unknown. In *Wildfire*, a crew of women from an inmate firefighting program suddenly have to decide if they want to continue their mission...or abandon the fire and break into a nearby mansion in search of riches that could change their lives forever. This is just the first of the new IDW Originals, so keep your eyes peeled each month for an exciting new series!

The contemporary reimagining of Greek mythology continues in our Graphic Novels section with **Lore Olympus: Volume Two**. Rachel Smythe's smash-hit, Eisner-nominated Webtoon continues in print for the first time as Persephone struggles to find her footing in Olympus. Meanwhile, Hades is off-balance, trying to balance his burgeoning feelings for the goddess of spring while trying to maintain the Underworld. This story continues to be a fan-favorite bestseller!

In our Kids & YA section, we have a new middle-grade graphic novel about twins trying to stand on their own in **Twin Cities**. Luis Fernando and Luisa Teresa are twins who are going to separate schools for the first time—Fernando is staying local in Mexicali, Mexico, and Teresa is planning to cross the border every day so she can go to a private school in Calexico, California. At first they're excited about not being compared to each other in school anymore, but they also start missing each other's support. This is a beautiful story of family connections and personal growth.

The Manga section features **PULSE Vol. 1**, a girls' love webtoon available in print for mature audiences. Mel is a renowned heart surgeon and stoic loner, never making an emotional connection with her flings and coming off as heartless. Then she meets Lynn, a beautiful and spirited cardiac patient who needs a new heart, but refuses a transplant. The two women meet with minimal expectations but soon become enthralled in a relationship that changes everything for them both!

In our Games & Gift section, you'll find the upcoming novel that's the inspiration for HBO's upcoming *Game of Thrones* prequel series *House of the Dragon*, **Fire & Blood**. George R. R. Martin takes us back centuries before the events of *A Game of Thrones* and reveals how House Targaryen—the only family of dragonlords to survive the Doom of Valyria—took up residence on Dragonstone. This novel features more than eighty-five black-and-white illustrations by artist Doug Wheatley—including five illustrations exclusive to the trade paperback edition.

All this and much, much more can be found in this month's PRH Panels. Don't hesitate to explore this catalog and find the perfect new book! As always, retailers who have any questions about the ordering process or would like to open an account with PRH, are encouraged to email us at comicmarketUS@penguinrandomhouse.com.

Lore Olympus: Volume Two

Written by RACHEL SMYTHE

Witness what the gods do after dark in the second volume of a stylish and contemporary reimagining of one of the best-known stories in Greek mythology, featuring a brand-new, exclusive short story from creator Rachel Smythe.

Persephone was ready to start a new life when she left the mortal realm for Olympus. However, she quickly discovered the dark side of her glamorous new home—from the relatively minor gossip threatening her reputation to a realm-shattering violation of her safety by the conceited Apollo—and she's struggling to find her footing in the fast-moving realm of the gods. Hades is also off-balance, fighting against his burgeoning feelings for the young goddess of spring while maintaining his lonely rule of the Underworld. As the pair are drawn ever closer, they must untangle the twisted webs of their past and present to build toward a new future.

This edition of Smythe's original Eisner-nominated webcomic Lore Olympus brings Greek mythology into the modern age in a sharply perceptive and romantic graphic novel.

This volume collects episodes 26–49 of the #1 WEBTOON comic Lore Olympus.

Edmund White's A Boy's Own Story: The Graphic Novel

Written by EDMUND WHITE;
Adapted by BRIAN ALESSANDRO
and MICHAEL CARROLL;
Illustrated by IGOR KARASH

A Boy's Own Story is a now-classic coming-of-age story, but with a twist: the young protagonist is growing up gay during one of the most oppressive periods in American history. Set in the time and place of author Edmund White's adolescence, the Midwest of the 1950s, the novel became an immediate bestseller and, for many readers, was not merely about gay identity but the pain of being a child in a fractured family while looking for love in an anything-but-stable world. And yet the book quickly contributed to the literature of empowerment that grew out of the Stonewall riots and subsequent gay rights era.

Princess Knight

New Omnibus Edition

Written by OSAMU TEZUKA

A gem from the fifties when the legendary master was most deeply involved in girls' comics, Twin Knights is more than just a sequel to the shojo manga milestone Princess Knight. More close addressing issue of station as well as gender, this one-volume tale has all the antic innocence of the early Tezuka even as it revises the more famous works' premise, doing away with the conceit of "boy and girl hearts" and invoking the vagues of chance and power in their place.

Little is known about Ogushi's curse, except that it resides in an unexpected place: human hair.

Like Junji Ito's Uzumaki, PTSD Radio takes something everyday and weaves it into a series of chilling, cryptic, twisted, repellant, and alluring manga stories that become more than what they first seem.

An unseen hand tugs at your braid. You find an old box with only a tangled mess of dark hair inside. You open a door in your home only to witness a river of curls slinking away, an ominous lump at its heart.

300 Years Before A Game of Thrones (A Targaryen History)

Written by GEORGE R. R. MARTIN;
Illustrated by DOUG WHEATLEY

The thrilling history of the Targaryens comes to life in this masterly work, the inspiration for HBO’s upcoming Game of Thrones prequel series House of the Dragon.

Centuries before the events of A Game of Thrones, House Targaryen—the only family of dragonlords to survive the Doom of Valyria—took up residence on Dragonstone.

What really happened during the Dance of the Dragons? What was it like in Westeros when dragons ruled the skies? These are but a few of the questions answered in this essential chronicle, as related by a learned maester of the Citadel and featuring more than eighty-five black-and-white illustrations by artist Doug Wheatley—including five illustrations exclusive to the trade paperback edition.

With all the scope and grandeur of Gibbon’s *The History of the Decline and Fall of the Roman Empire*, *Fire & Blood* is the first volume of the definitive two-part history of the Targaryens, giving readers a whole new appreciation for the dynamic, often bloody, and always fascinating history of Westeros.
