Direct Market Ordering Catalog for Products Shipping in August and Beyond

Hello comic retailers and fans!

Welcome to PRH Panels, the Penguin Random House catalog for the Direct Market, highlighting the incredible graphic novels, manga, games, and more that debut every month. We can't wait for you to find the next story to inspire and entertain you, and the latest games and gifts to bring you together.

The new IDW Originals line continues to deliver with the fresh launch of **Trve Kvlt #1**, the perfect combination of fast food, heists, and cults that you never knew you needed! Marty Tarantella has been flipping burgers for 15 monotonous years, and he essentially has no life. After years of watching the daily rhythms of the neighboring stores, Marty decides to pull off the perfect heist! Unfortunately, he accidentally steals a supernatural weapon from dangerous cultists, and they really want it back. Who doesn't like a little Satanic panic with their burger? Don't miss the second IDW Original series!

It's a crossover for the ages in our Graphic Novels section with **Godzilla Vs. The Mighty Morphin Power Rangers**. Rita Repulsa and an army of kaiju versus the King of the Monsters and the teenagers with attitude?! It sounds like every 90s kid's dream! This is an easy must-read for every Godzilla and Power Rangers fan.

Get ready to see the world of Peter Pan like never before in **Neverlanders**, the featured title in our Kids & YA section! Bee and her fellow runaways are their own found family. So when a stranger named Paco saves her life, Bee invites him to join their crew, thinking he's another lost teen...but the truth is, Paco's a Lost Boy from Neverland. With Peter Pan missing, the rest of the Lost Boys dead, and a horde of pirates led by a merciless new leader, Paco needs Bee and her friends to help save a Neverland that looks completely different from the stories. Bestselling writer Tom Taylor and powerhouse illustrator Jon Sommariva have teamed up for a new graphic novel series that can't be missed!

In our Manga section, we've featured an action-packed, neo-noir revenge thriller perfect for fans of John Wick and High-Rise Invasion, **CANDY AND CIGARETTES Vol. 1!** When retired cop Hiraga Raizou gets a lucrative gig working for a shadowy government organization, he is in for a rude awakening. The first day on his new job, he comes across a grisly murder and a lone little girl who's far from innocent. She's Suzukaze Miharū, an 11-year-old master assassin-and his new partner! The arrangement is simple: she kills, he cleans up and hides any evidence. This unlikely duo is out for blood!

Dive into the world of the occult with **Luda**, the prose novel featured in our Games & Gift section. A drag queen initiates her protegee into the magical arts in this phantasmagoric epic, the first novel from the legendary comics writer and *New York Times* bestselling author Grant Morrison! If you enjoyed Morrison's *The Invisibles*, you'll love this thrilling story of sex, drugs, and the occult.

All this and much, much more can be found in this month's PRH Panels. Don't hesitate to explore this catalog and find the perfect new book! Marty Tarantella has been flipping burgers for 15 years. He has no kids, no hobbies, no love interests, and, essentially, no life. But what he does have is a plan to change everything. Years of watching the daily rhythms of the neighboring stores has given Marty the idea for a perfect heist, but when he accidentally steals a supernatural weapon from a cult full of violent lunatics, the resulting Satanic panic will be way above his minimum-wage pay grade. Nothing can prepare you for the coming of Trve Kvlt, a deliciously horrifying and hilarious new series from SCOTT BRYAN WILSON (Batman: Gotham Knights, Pennyworth) and LIANA KANGAS (Star Wars Adventures, She Said Destroy).

Pretending is Lying

Written by DOMINIQUE GOBLET;
Translated by SOPHIE YANOW

Now in paperback, a “tender, affecting” (NYTBR) memoir unlike any other, and the first book to appear in English by the acclaimed Belgian artist Dominique Goblet.

In a series of dazzling fragments—skipping through time, and from raw, slashing color to delicate black-and-white—Dominique Goblet examines the most important relationships in her life: with her partner, Guy Marc; with her daughter, Nikita; and with her parents.

The result is an unnerving comedy of paternal dysfunction, an achingly ambivalent love story (with asides on Thomas Pynchon and the Beach Boys), and a searing account of childhood trauma—a dizzying, unforgettable view of a life in progress and a tour de force of the art of comics.

A Career in Books

A Novel about Friends, Money,
and the Occasional Duck Bun

Written by KATE GAVINO;
Illustrated by KATE GAVINO

A Career in Books is a graphic novel for everyone who's wanted to "work with books" and had NO idea what it entailed. It's for those who wanted a literary career even in the face of systemic racism, who dealt with the unique challenges of coming from an immigrant family, and whose group chat is their lifeline.

Charming, wry, and with fantastic black-and-white illustrations, A Career in Books is a modern ode to Rona Jaffe's *The Best of Everything*, and perfect for fans of *Good Talk*, *Younger*, and *The Bold Type*, as readers chart the paths of three Asian-American women trying to break through the world of books with hilarious, incisive, and heartbreaking results.

Neverlanders

Written by TOM TAYLOR;

Illustrated by JON SOMMARIVA

Bee and her fellow runaways are their own found family. So when a stranger named Paco saves her life, Bee invites him to join their crew, thinking he's another lost teen. Someone else the world has overlooked. The truth is Paco's not just a lost teen, he's a Lost Boy from Neverland. And he needs Bee and the others to come back with him.

When the group is then spirited away by a foul-mouthed Tinker Bell, they discover that Neverland is not some fun-filled hideaway. It's a war zone under siege by a horde of pirates with a merciless new leader who will stop at nothing to steal the land's magic. Tink leads a fairy army that barely holds them at bay. Peter Pan is gone. And rest of the Lost Boys have been killed. Paco is all that remains...but he hopes that this group of teens will become the new Lost Ones.

Award-winning and worldwide bestselling author Tom Taylor (Marvel's *Dark Ages*, *Friendly Neighborhood Spider-Man*) and artist Jon Sommariva (Marvel Action: *Avengers*, *Batman/Teenage Mutant Ninja Turtles*) take readers back to the world of Peter Pan, but this explosive reimagining is not your parents' Neverland.

A dark comedy starring a famous historical writer who would honestly rather die than live out an isekai fantasy.

Really, all the fantastical adventure he keeps running into is just getting in the way of his poetic dream of finding the perfect place to die. Follow a miserable hero like no other in this cheerfully bleak isekai comedy!
