Hello comic retailers and fans!

Welcome to PRH Panels, the Penguin Random House catalog for the Direct Market, highlighting the incredible graphic novels, manga, games, and more that debut every month. We can't wait for you to find the next story to inspire and entertain you, and the latest games and gifts to bring you together.

We're featuring not one, but two IDW Originals in our Comics section! **Crashing #1** is a superhero medical drama in the vein of *The Boys* meets Nurse Jackie. Rose is a specialist who focuses on patients with Powers, even though she works in a hospital with a strict No Powered Patients policy. On top of dealing with the stress of secretly fixing up heroes and villains by night, she's struggling with her own addiction recovery and strained marriage. And in **Earthdivers #1**, a group of Indigenous survivors in the apocalyptic future of 2112 discover a portal that can take them back in time. They determine that in order to save the future, they have to stop Christopher Columbus from discovering the New World. It's an unforgettable historical/sci-fi slasher!

In our Graphic Novels section, get swept away by Malaka Gharib's personal memoir **It Won't Always Be Like This**. Nine-year-old Malaka arrives in Egypt for her annual summer vacation abroad, only to discover that her father has remarried. Over the next fifteen years, she visits her father's growing new family and reflects on identity, values, relationships, and what it all means. A beautiful story from the author of *I Was Their American Dream*.

It's lights, camera, action in our Kids & YA section with **Mayor Good Boy Goes to Hollywood!** Our favorite good boy is going from the first dog mayor...to the first dog mayor on the silver screen! There are some crooks trying to steal the show, so interns Abby and Aaron will have to help out their mayor. This hilarious graphic novel series continues to bring us plenty of tail-wagging fun!

Our Manga section features the incredibly charming **Polar Bear Cafe: Collector's Edition Vol. 1!** The anime delighted fans, and now the full series is collected in English for the first time with bonus color content. Meet Polar Bear, who has a penchant for puns and runs the local café that's frequented by animals and humans alike. Join the colorful clientele through the seasons in this comforting and humorous manga about daily specials, romantic complications, and quirky workplaces!

See the world of Wakanda like never before in **Marvel Black Panther Wakanda Atlas**, our featured title in the Games & Gift section. With newly commissioned, intricate maps, artwork, and essays bringing the world of Wakanda to life, this is the perfect gift for any Black Panther fan. And don't miss out on *Black Panther: Wakanda Forever*, in theaters this Fall!

All this and much, much more can be found in this month's PRH Panels. Don't hesitate to explore this catalog and find the perfect new book! As always, retailers who have any questions about the ordering process or would like to open an account with PRH, are encouraged to email us at comicmarketUS@penguinrandomhouse.com.

Earthdivers #1 Variant A (Albuquerque)

Written by STEPHEN JONES;
Illustrated by DAVIDE GIANFELICE;
Colorist JOANA LAFUENTE;
Letterer by STEVE WANDS

The year is 2112, and it's the apocalypse exactly as expected: rivers receding, oceans rising, civilization crumbling. Humanity has given up hope, except for a group of outcast Indigenous survivors who have discovered a time travel portal in a cave in the middle of the desert and figured out where the world took a sharp turn for the worst: America.

Convinced that the only way to save the world is to rewrite its past, they send one of their own on a bloody, one-way mission back to 1492 to kill Christopher Columbus before he reaches the so-called New World. But taking down an icon is no easy task, and his actions could prove devastating for his friends in the future.

Join Stephen Graham Jones and artist Davide Gianfelice for *Earthdivers* #1, the beginning of an unforgettable ongoing historical/sci-fi slasher!

A moving memoir from the author of *I Was Their American Dream*, about an American girl growing up with her Egyptian father's new family.

It Won't Always Be Like This

A Graphic Memoir

Written by MALAKA GHARIB

An intimate graphic memoir about an American girl growing up with her Egyptian father's new family, forging unexpected bonds and navigating adolescence in an unfamiliar country—from the award-winning author of *I Was Their American Dream*.

It's hard enough to figure out boys, beauty, and being cool when you're young, but even harder when you're in a country where you don't understand the language, culture, or social norms.

Nine-year-old Malaka Gharib arrives in Egypt for her annual summer vacation abroad and assumes it'll be just like every other vacation she's spent at her dad's place in Cairo. But her father shares news that changes everything: He has remarried. Over the next fifteen years, as she visits her father's growing family summer after summer, Malaka must reevaluate her place in his life. All that on top of maintaining her coolness!

It Won't Always Be Like This is a touching time capsule of Gharib's childhood memories—each summer a fleeting moment in time—and a powerful reflection on identity, relationships, values, family, and what happens when it all collides.

His Name is Banksy

Written by FRANCESCO MATTEUZZI;
Illustrated by MARCO MARAGGI

Banksy is arguably the most well-known street artist of all time. But we don't actually know who he is. This is just one of many contradictions that are addressed in this enormously compelling graphic biography. When two young Londoners are caught spray-painting graffiti on a city wall, they get to know each other while detained by the police. After they are released, they decide to make a film of Banksy's life, tracing the arc of his career as they travel through the streets of London.

While readers may not learn Banksy's true identity, this uniquely graphic form of storytelling communicates the artist's belief that art is for everyone, speaks to everyone, and is owned by everyone.

A family gets a surprise when a fun-loving ogre moves in next door and helps a sister bond with her screen-obsessed brother.

Ollie is so absorbed in the video game Smash Tower that he doesn't notice that his sister and an ogre named Tim have emptied his room and constructed an obstacle course that mirrors the levels of the game in the yard. But a tell-tale red string leads him to the challenges. This comic is perfect for reintroducing kids to the fun of in-person play.

Owl and Penguin

Written by VIKRAM MADAN

Two feathered friends are Frog and Toad for the emoji generation in this delightful graphic novel for emerging readers.

Owl likes peace and quiet. Penguin likes to SING OUT LOUD.

But best friends don't need to be the same. Sometimes it's good to disagree! Owl and Penguin celebrate their differences and solve their problems with creative play. From ice cream mishaps to rainy day chills, there's nothing these pals can't get through together.

In three nearly wordless stories, expressive art takes charge of the storytelling, supplemented by simple text captions and emoticon-style images in speech bubbles. This innovative format supports visual literacy and sight word recognition for the earliest independent readers.

Anatomy of Comics

Famous Originals of Narrative Art

Written by DAMIEN MACDONALD

A critical reference, this book is a celebration of the characters who have accompanied readers from their first forays into reading through adolescence, and on into adulthood—from Tarzan to Tintin, Little Nemo to Betty Boop, the Fantastic Four to Batman, the Silver Surfer to Sin City, or the underground comics of Robert Crumb. A motley crew of characters—spandex-wrapped heroes with impossible muscles, hard-boiled detectives in soft hats, emancipated vamps, space-opera acrobats in chain-mail underpants, zombies, and scrawny underground freaks—span all genres of this international art form. Featuring important American and European artists, this broad retrospective decodes the symbolism and artistry of a richly creative form of reading pleasure.

Spider-Man has been one of the most recognizable pop-culture characters of twentieth- and twenty-first-century Americana. The Legendary Lizzo

500-Piece Jigsaw Puzzle

Illustrated by STEPHANIE SPARTELS

This jigsaw puzzle is a love letter to Lizzo, the queen of self-affirmation, soulful pop bangers, and, of course, the red carpet. Lizzo's story is one of tireless persistence in an industry and media landscape where she was often made to feel like she didn't belong.

All the while, Lizzo has maintained her brand of I-don't-give-a-f*ck sincerity that many of us now aspire to. How many other artists can claim to have twerked on stages around the world with their partner in crime, Sasha the flute?

Featuring a collage of the iconic duo, this jigsaw puzzle shines (and lets us all shine too).
