Hello comic retailers and fans!

Welcome to PRH Panels, the Penguin Random House catalog for the Direct Market, highlighting the incredible graphic novels, manga, games, and more that debut every month. We can't wait for you to find the next story to inspire and entertain you, and the latest games and gifts to bring you together.

Things are getting truly frightening in our Comics section with the newest IDW Original series ***Dead Seas #1***. In a world where ghosts are real, dangerous, and exceptionally valuable, the imprisoned Gus Ortiz is willing to risk his life in return for a reduced sentence that will bring him home to his daughter sooner. All it will take is a few months at sea scraping ectoplasm off the walls of the *Perdition*, a floating prison containing the most vicious ghosts on Earth. But angry spirits might be the least of his worries. This new series is perfect for fans of *Plunge*, *The Dollhouse Family*, and *Sea of Sorrow*.

Our oceanic voyage continues in the Graphic Novels section with ***Tiger, Tiger Vol. 1***. The Eisner-nominated webcomic packed with sword fights, villains, and uncharted lands is in print at last! Ludo is eager to explore the world in search of romance and adventure, so she steals her brother's identity and takes to the seas. This black and white graphic novel is lushly illustrated and a must-read for fans of historical fiction and swashbuckling tales!

Our Kids & YA section is getting into the Halloween spirit with ***Skull Cat and the Curious Castle***, a new middle-grade graphic novel perfect for fans of the *Hilda* series. Scully the Cat is starting his first day as a new garden-keeper at the spooky castle Le Dark Chateau...but where did everyone go? He'll have to be brave and search the castle for his missing co-workers, no matter how scary things get!

The Manga section features ***I Cross-Dressed for the IRL Meetup Vol. 1***, a series that starts off as a tense view of online life, but quickly melts into a lighthearted romantic comedy about love, friendship, gender nonconformity, and what it means to be your true self. Cocoa has made three best friends in her monthly meetup, and is even crushing on one of the girls named Opera. During one meetup, Opera discovers that Cocoa is actually a guy named Satoshi who's been cross-dressing to attend the all-girl group...and then Opera confesses that he's cross-dressing, too! If you like *Princess Jellyfish*, you don't want to miss this series!

Finally, explore the planes of magic in our Games & Gift section with ***Magic The Gathering: The Visual Guide***. To be a planeswalker is to be powerful beyond measure, and now fans can learn more about the wondrous worlds they traverse, their arcane lore, their legendary exploits, and much more! Featuring never-before-published profiles of new planes, such as Strixhaven and Kaldheim, this book is the first time MTG's key characters and locations are showcased in one sumptuous, indispensable, and up-to-date guide to its vast and expanding Multiverse.

All this and much, much more can be found in this month's PRH Panels. Don't hesitate to explore this catalog and find the perfect new book!
