Direct Market Ordering Catalog for Products Shipping in January and Beyond

Hello comic retailers and fans!

Welcome to PRH Panels, the Penguin Random House catalog for the Direct Market, highlighting the incredible graphic novels, manga, games, and more that debut every month. We can't wait for you to find the next story to inspire and entertain you, and the latest games and gifts to bring you together.

We're kicking things off in the Comics section with the new IDW Original series, ***Breath of Shadows #1***. This is a new horror series from the team behind *Road of Bones* and *Sea of Sorrows* that takes us from the bright lights of the stage to the darkest corners of our nightmares. Set in the 1960s, Jimmy Meadows is living the rockstar life—his band is riding a wave of international fame! Unfortunately, Jimmy only wants his next fix, and it's destroying his life. His friend has a controversial method of getting clean, though...

The Graphic Novels section features ***Shubeik Lubeik***, a story that balances fantastical elements with very real challenges people face. Three wishes are sold at a kiosk in Cairo, and three people have their perspectives and lives changed as a result. Aziza must fight for the right to have her wish after losing her husband. Nour is secretly struggling with depression and must decide if they want to "fix" it with the wish. And Shokry grapples with his religious convictions as he decides how to help a friend who doesn't want to use their wish. An incredible story perfect for fans of *Persepolis* and *The Arab of the Future*.

We're navigating the will of the gods in our Kids & YA section with ***Codex Black (Book One): A Fire Among Clouds***, a gorgeous YA graphic novel about two young extraordinary adventurers in fifteenth-century Mesoamerica! Donají is a fearless Zapotec girl who heads out on an adventure to find her missing father, accompanied by the god that lives inside her poncho. Along the way, she meets a winged Mexica warrior named Itzcacatl, and the two develop a strong friendship as they face off a terrifying bat monster! Beautifully illustrated and packed with incredible pre-Columbian Mesoamerican mythology, this is the perfect read for fans of the *Percy Jackson* series and *Avatar: The Last Airbender*.

Cross the globe back to a post-apocalyptic Japan in ***Tsugumi Project 1***, our Manga section feature! Centuries have passed since Japan was devastated by nuclear war, and the island is now believed to hold wonders of science, monuments of a bygone era...and irradiated monsters that will tear apart any humans foolish enough to go there. Torn from his family and falsely convicted, Leon and his fellow convicts are dumped in Japan and given one year to find a powerful weapon in exchange for their freedom. This lushly illustrated series is a great read for *AKIRA* fans!

Last but not least, our Games & Gift section features ***How to Draw Manga Heroes*** in simple steps, a great guide for creating dynamic manga heroes and villains. Bestselling Manga artist Yishan Li teaches you to transform simple shapes into a wide range of characters. Perfect for aspiring manga artists!

All this and much, much more can be found in this month's PRH Panels. Don't hesitate to explore this catalog and find the perfect new book! Shubeik Lubeik

Written by DEENA MOHAMED

Three wishes that are sold at an unassuming kiosk in Cairo link Aziza, Nour, and Shokry, changing their perspectives as well as their lives. Aziza learned early that life can be hard, but when she loses her husband and manages to procure a wish, she finds herself fighting bureaucracy and inequality for the right to have—and make—that wish. Nour is a privileged college student who secretly struggles with depression and must decide whether or not to use their wish to try to “fix” this depression, and then figure out how to do it. And, finally, Shokry must grapple with his religious convictions as he decides how to help a friend who doesn’t want to use their wish. Deena Mohamed brings to life a cast of characters whose struggles and triumphs are heartbreaking, inspiring, and deeply resonant.

Although their stories are fantastical—featuring talking donkeys, dragons, and cars that can magically avoid traffic—each of these people grapples with the very real challenge of trying to make their most deeply held desires come true.

Bear

Written by STAFFAN GNOSSPELIUS

Bear, Staffan Gnosspelius's debut book, is a gorgeous visual meditation on depression. In this deeply affecting, wordless picture book for adults, a bear is maddeningly afflicted with a cone that covers his head and that he is unable to take off.

The author began drawing a bear with a cone on his head as a way to make sense of how a person close to him was suffering from mental illness. The resulting book is both an emotional gut punch and a warm embrace, recognizable immediately to anyone who has ever suffered or loved someone who has suffered in similar dark places. In other words, all of us.

Enter a land of monsters and buried secrets. A land once known as...Japan.

More than two centuries have passed since Japan was devastated by nuclear war. Cut off from the world, the island is now a place of terror and mysteries: wonders of science some believe best forgotten, monuments to a bygone era of human decadence, and irradiated monsters ready to tear apart any humans foolish enough to set foot there.

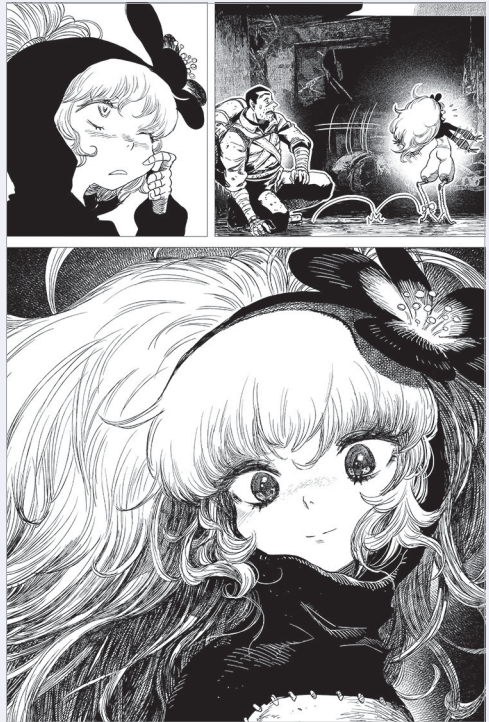

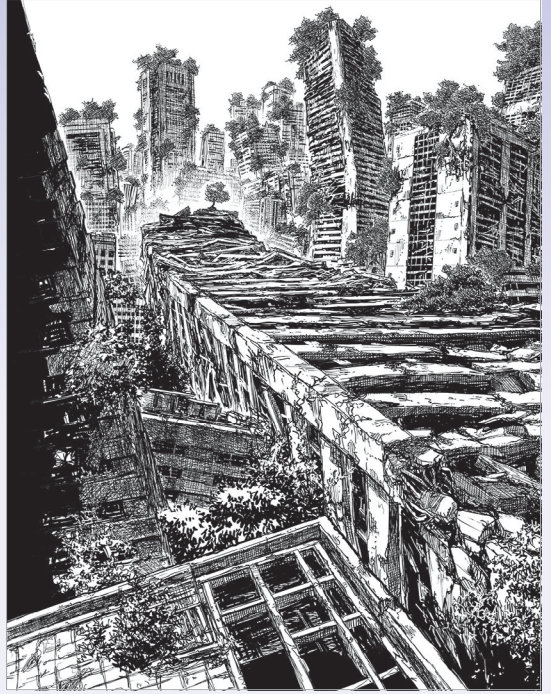

After being wrenched from his family and falsely convicted, a French soldier of fortune named Leon finds himself on a cargo plane to Japan. He and his fellow convicts are given one year to locate a powerful weapon from ages past—a weapon known only by the codename TORATSUGUMI—in exchange for their freedom. But what is the true nature of this weapon, and how is it connected to the taloned, half-human girl who swoops in to save Leon?
