Direct Market Ordering Catalog for Products Shipping in February and Beyond

Hello comic retailers and fans!

Welcome to PRH Panels, the Penguin Random House catalog for the Direct Market, highlighting the incredible graphic novels, manga, games, and more that debut every month. We can't wait for you to find the next story to inspire and entertain you, and the latest games and gifts to bring you together.

We've got two big series spotlighted in our Comics section. First, the second issue of the can't-miss series ***Teenage Mutant Ninja Turtles: The Last Ronin-Lost Years #2!*** This is the next chapter of the *Ronin*-verse, with Michelangelo seeking vengeance in the past, and Casey Marie Jones working hard to be a good sensei to the next generation of Teenage Mutant Ninja Turtles! Then we have a brand-new series spinning out of IDW's hit *Star Trek* series, ***Star Trek: Defiant #1***. Someone is killing the gods, and while Benjamin Sisko is dealing with the higher cosmos, it's up to Worf of House Martok and the crew of the U.S.S. Defiant to deal with a dangerous messiah behind a genocidal cult.

In our Graphic Novels section, one teacher examines the existing inequalities of the public education system that were highlighted by the COVID-19 pandemic in ***Going Remote***. This graphic novel memoir chronicles the onset of the pandemic in 2020 and what it was like as students and educators left their physical classrooms for remote learning. This powerful account covers the Black Lives Matter protests, the struggles of students trying to adapt to a new type of schooling, and the author's own cancer diagnosis and treatment during the pandemic. It's a searingly honest memoir that can't be missed.

We're turning back the clock in our Kids & YA section with ***Hilo Book 9: Gina and the Last City on Earth***, the latest in the *New York Times* bestselling series! This time-turning adventure features warrior cats, magic, a flying Bearacat, and Gina saving the world alongside her friends! Dav Pilkey (author of the bestselling *Dog Man* series) calls *Hilo* "an action-packed page-turner with heart!"

Our Manga section features the next comedy hit series, ***The Yakuza's Bias***! If you love *Way of the Househusband* or *Spy x Family*, you're guaranteed to love this series. Takeru is one of the top lieutenants of a feared yakuza family. He's never had time for hobbies... until the boss's daughter drags him to a K-pop concert, and he sees the glittering, charismatic Jun for the first time. And so Takeru plunges into fandom with the solemnity and passion of a man who walks the way of the yakuza!

Finally, check out our Games & Gift section for the ***Dungeons & Dragons: Honor Among Thieves: Official Activity Book***, the perfect gift for the D&D fan looking forward to the upcoming film *Dungeons & Dragons: Honor Among Thieves*—in theaters March 3, 2023! This full-color activity book is packed with puzzles, posters, and over 50 stickers!

All this and much, much more can be found in this month's PRH Panels. Don't hesitate to explore this catalog and find the perfect new book! As always, retailers who have any questions about the ordering process or would like to open an account with PRH, are encouraged to email us at comicmarketUS@penguinrandomhouse.com.

Teenage Mutant Ninja Turtles: The Last Ronin-Lost Years #2 Variant A (Gallant)

Written by KEVIN EASTMAN and TOM WALTZ; Illustrated by BEN BISHOP and SL GALLANT; Cover Design or Artwork by SL GALLANT

In the past, Michelangelo has mastered his first fighting form and has overcome his first gladiatorial challenge in Japan. With Master Splinter’s journal in his hands—and a burning desire for vengeance in his heart—Michelangelo resumes his westward trek across Asia and Europe in order to test his skills against his next deadly opponent. If he’s to have any chance of attaining victory in the final battle royal, Michelangelo will have to master an essential new martial skill—or die trying. Only then can he return to New York City to confront the Foot Clan. Thing is, he’s not alone. His dead brothers have joined him on his quest...and they won’t shut up!

Meanwhile, in the present (a.k.a. our future!), Casey Marie Jones also follows the sage teachings found in Splinter’s journal as she continues her own journey as master and sensei to the next generation of Teenage Mutant Ninja Turtles! Writers Kevin Eastman and Tom Waltz, alongside artist Ben Bishop (TMNT: The Last Ronin), bring us the next exciting chapter from the Ronin-verse!

This title will be standard trim size, not the oversized format of The Last Ronin series.!

A searingly honest graphic memoir from a community college professor caring for his students at the start of the COVID-19 pandemic.

Going Remote

A Teacher's Journey
Written by ADAM BESSIE
and PETER GLANTING

With Peter Glanting's powerful illustrations, author Adam Bessie, an English professor and graphic essayist, uses the unique historical moment of the COVID-19 pandemic as a catalyst to explore the existing inequalities and student struggles that plague the public education system. This graphic memoir chronicles the reverberations from the onset of the pandemic in 2020 when students and educators left their physical classrooms for remote learning. As a professor at a community college, Bessie shows how despite these challenges, teachers work tirelessly to create a more equitable educational system by responding to mental health issues and student needs.

From the Black Lives Matter protests to fielding distressed emails from students to considering the future of his own career, *Going Remote* also tells the personal story of Bessie's cancer diagnosis and treatment during the pandemic. A fusion of memoir, meditation, and scholarship, *Going Remote* is a powerful account of a crisis moment in educational history demonstrating both personal and societal changes.

Star Wars: The Battle of Jedha (The High Republic)

Written by GEORGE MANN

After the events of *The High Republic: Convergence*, the Jedi travel to Jedha in this all-new *Star Wars* audiobook original.

As all of Jedha prepares for its Festival of Balance, the galaxy still reels from the violence on Eiram and E'ronoh. But after foiling a plot to escalate the war between the two planets, the Jedi believe that a lasting peace may be within reach. Master Creighton Sun and Jedi Knight Aida Forte arrive on Jedha with delegations from both planets to formally end the "Forever War." But not all are happy with the Jedi's involvement or ready to concern themselves with peace.
