Direct Market Ordering Catalog for Products Shipping in April and Beyond

## Hello comic retailers and fans!

Welcome to PRH Panels, the Penguin Random House catalog for the Direct Market, highlighting the incredible graphic novels, manga, games, and more that debut every month. We can't wait for you to find the next story to inspire and entertain you, and the latest games and gifts to bring you together.

In our Comics section, the exciting adventures in the *Ronin*verse continue with ***Teenage Mutant Ninja Turtles: The Last Ronin—Lost Day Special!*** Longtime resistance leader April O'Neil is raising and training her daughter and four small mutant turtles, but when they go on a supply run together, they get lost! They'll need to get back to their sewer lair or risk becoming collateral damage in the newest power struggle overtaking the streets. A must-have for Turtle fans curious about this new generation of shelltastic little warriors!

We have a star-studded collection in our Graphic Novels section with ***Minor Threats***, a new original comic series from Patton Oswalt and Jordan Blum—showrunners of Marvel's M.O.D.O.K on Hulu—and superstar artist Scott Hepburn! When the psychotic Stickman murders The Insomniac's sidekick, The Continuum—The Insomniac's crime fighting team—turn the city into a police state to track down the murderer before their colleague crosses the line a hero can't walk back from. Taika Waititi said "I was hooked from the first page!", so it's safe to say this can't be missed!

Our Kids & YA section features what's sure to be a smash-hit from the award-winning team behind Unbeatable Squirrel Girl, ***Danger and Other Unknown Risks!*** It's the classic tale of a girl and her dog trying to save the world. The world ended on midnight of January 1st, 2000, but it wasn't the Y2K bug everyone feared...it was magic. Years later, Earth has transformed, magic works (sort of), people are happy (sort of), but the new world isn't stable. Luckily, Marguerite de Pruitt and her canine pal, Daisy, have been training their whole lives for this, so they've totally got it, no worries.

We're hanging out with Vikings in our Manga section with ***Vinland Saga Deluxe 1***. Raised by the Vikings who murdered his family, Thorfinn grows into a terrifying warrior, forever seeking to kill the band's leader, Askeladd, and avenge his father. Sustaining him through his ordeal is the dream of a fertile land to the west, without war or slavery...a land called Vinland. This deluxe 3-in-1 edition is presented at a larger size, with a stamped red leather-patterned cover and a ton of bonus material. And don't miss the hit anime series!

The Games & Gifts section features something special for those headed to the theater with ***The Art and Making of Dungeons & Dragons: Honor Among Thieves!*** This is the official behind-the-scenes companion to the upcoming film, featuring cast and crew interviews, photos, storyboards, and so much more. Perfect for D&D fans and movie buffs alike!

All this and much, much more can be found in this month's PRH Panels. Don't hesitate to explore this catalog and find the perfect new book! As always, retailers who have any questions about the ordering process or would like to open an account with PRH, are encouraged to email us at [comicmarketUS@penguinrandomhouse.com](mailto:comicmarketUS@penguinrandomhouse.com).

## **Teenage Mutant Ninja Turtles: The Last Ronin- Lost Day Special Cover A**

Written by TOM WALTZ

After the Last Ronin defeated Oroku Hiroto, Master of the Foot Clan, New York City was free for the first time in more than a decade. But along with the newfound freedom comes a dangerous power vacuum waiting to be filled, and without a common enemy in the Foot Clan, various factions are vying to take control. Longtime resistance leader April O'Neil finds herself and her loved ones—including four small mutant turtles she and her daughter, Casey Marie Jones, are raising and training together—once again caught up in the battle for the soul of the city.

When April takes the young mutant turtles with her on a supply run into the city, they become lost and must find their way back to the sewer lair or risk becoming collateral damage in the newest power struggle overtaking the streets.

This 40-page special will be standard trim size, not the oversized format of The Last Ronin series.

Thinking he has found the legendary unreleased would-be classic 1936 film “Night of the Ghoul,” he sets off on a dark odyssey to the California desert, where he’s warned that the film’s ghoul is far more than a work of fiction: it’s a very real monster who plans to kill him.

## **Danger and Other Unknown Risks**

A Graphic Novel

Written by RYAN NORTH and ERICA HENDERSON;

Illustrated by ERICA HENDERSON

A twisty, spellbinding adventure about a girl and her dog who want to save the world, *Danger and Other Unknown Risks* is the highly anticipated YA graphic novel debut from Eisner Award-winning and *New York Times* bestselling creators Ryan North and Erica Henderson.

I'm gonna tell you a story, and I'm gonna ask that you let me finish before you say anything.

Here's the deal—on midnight of January 1st, 2000, the world ended. But it wasn't technology that killed it: It was magic. Now, years later, the Earth has transformed. Magic works (sort of). People are happy (sort of). But this new world isn't stable, and unless Marguerite de Pruitt and her canine pal, Daisy, do something about it, it'll tilt into deadly chaos. Good thing they've been training their whole lives for this and are destined to succeed. Or so they think.

Ryan North and Erica Henderson, the bestselling masterminds behind *Unbeatable Squirrel Girl*, serve up a graphic novel that is equally laugh-out-loud adventure and emotional gut punch.

## Prince in a Pastry Shop

Written by MAREK BIENCZYK;  
Illustrated by JOANNA CONCEJO;  
Translated by BENJAMIN PALOFF

In a beautifully illustrated story for adults that is playful, philosophical, and with a wink of naughtiness, two characters—the Not-So-Little-Prince and Prickly Pear—consider the nature of happiness.

Writer Marek Biernczyk joins with the brilliant Polish illustrator Joanna Concejo whose detailed pencil drawings create a wonderland, where sitting at a café table morphs into a dreamscape with animals, a borderland between waking and dreaming. With a very light touch Prince in a Pastry Shop asks one of the most profound questions of our existence: is it enough to appreciate each moment of sweetness—and at what cost—or must we be active in an unforgiving world to find contentment.
