Raven of the Inner Palace

Deep within the palace's walls lives the secluded and mysterious Raven Consort. Some say she's an old woman, while others claim she's young and beautiful. What all stories do agree on is that she has the power to exorcise spirits, lay fatal curses, and find lost objects—for a price. Now the young emperor arrives at her door, seeking her help. However, his request could shake up the palace...or even the whole country.
