Direct Market Ordering Catalog for Products Shipping in May and Beyond

Hello comic retailers and fans!

Welcome to PRH Panels, the Penguin Random House catalog for the Direct Market, highlighting the incredible graphic novels, manga, games, and more that debut every month. We can't wait for you to find the next story to inspire and entertain you, and the latest games and gifts to bring you together.

In our Comics section, we're taking cat burglary very serious with ***Cat Fight #1***! Aptly described as "*John Wick* meets *Kill Bill* meets *Cats*," ***Cat Fight*** introduces us to the successful thief Felix as he snatches rare jewels and dodges far too many enemies. When a mysterious character by the name of Schrodinger threatens Felix's only surviving family member in an attempt to recruit him into a crime syndicate, Felix is sent on a globetrotting game of cat and mouse in a heightened world of colorful criminal masterminds. And if you think that's a lot of cat puns, just wait 'til you read the comic!

The first of Scott Snyder's thrilling anthology series arrives in our Graphic Novels section with ***Dark Spaces: Wildfire***. A wildfire has broken out in California, and a crew of women from an inmate firefighting program are sent to quell it. But when the newest recruit hatches a plan to rob a nearby evacuated mansion under the cover of smoke, the rest of the crew will have to decide if risking their path back to normalcy is worth it for the heist of a lifetime.

Our Kids & YA section features our favorite twins in their newest graphic novel, ***Sweet Valley Twins: Teacher's Pet***. Jessica knows she's the better dancer, but their teacher is playing favorites with Elizabeth—and what's worse is Elizabeth refuses to admit it! The twins will have to reconcile and find a way for Jessica to get the spotlight she deserves. This series is loved by fans of the classic Sweet Valley stories and new young readers discovering Elizabeth and Jessica for the first time!

You might be noticing that our Manga section is a little light this month! Our FOC and catalog dates are shifting for our manga titles to move them closer to the on-sale dates, so there's not as big a gap between when an order is placed and when the book goes on sale. This is something we've gotten a lot of feedback on, and we're excited to implement this change. While the Manga section will be in flux for a bit, rest assured that you'll be seeing your favorite titles in PRH Panels again soon!

Finally, our Games & Gifts section features the perfect gift to celebrate the LGBTQIA+ community with ***The DC Book of Pride***. Discover the rich history of DC's LGBTQIA+ characters with profiles on over 50 heroes and villains, including Harley Quinn, Superman, Nubia, Dreamer, and more! With details on their origins, superpowers, key storylines, and more, this can't be missed by DC fans!

All this and much, much more can be found in this month's PRH Panels. Don't hesitate to explore this catalog and find the perfect new book! As always, retailers who have any questions about the ordering process or would like to open an account with PRH, are encouraged to email us at comicmarketUS@penguinrandomhouse.com.

Wishing you the very best,

Your US Direct Market Comic Team

Dark Spaces: Wildfire

Written by SCOTT SNYDER;
Illustrated by HAYDEN SHERMAN

Legendary writer Scott Snyder presents DARK SPACES—a thrilling new anthology series exploring our deepest fears of the unknown, beginning in the smoldering hills of California in DARK SPACES: WILDFIRE!

Six weeks into the slow burn of the historic Arroyo Fire, a crew of women from an inmate firefighting program are risking everything on the frontlines when their newest recruit—a white-collar convict with a deep network of shady dealers—discovers they're mere miles from her crooked former associate's abandoned mansion. When she proposes a plan to abandon their duties and hunt for riches under cover of smoke and ash, the team must decide if they're ready to jeopardize their one sure path back to normalcy for a shot at a score that would truly change their lives... but is this a flicker of fortune, or a deadly trap?

The Ruling Clawss

The Socialist Cartoons of Syd Hoff
Written by SYD HOFF;
Introduction by PHILIP NEL

Published under the pseudonym A. Redfield by prominent New Yorker contributor Syd Hoff in the 1930s, these mordant and marvellously drawn gag comics skewer the rich and powerful with a pointed pen.

Scorning what he saw as the complicity and stale yucks of cartooning peers like Peter Arno, Hoff set his sights on the rich and powerful and revealed them for what they were: hilariously inept, deeply selfish, and incredibly dangerous.

Hoff spared nothing from his pen, lampooning police brutality, thin-skinned industrialists, racists, and the looming threat of fascism at home and abroad.

When Seymour is given the chance to make a film of his own, his unbending principles and relentless drive violently clash with an industry that rewards everything but these traits. Few artists' lives are as inspiring as that of Niki de Saint Phalle.

This graphic novel follows Niki's extraordinary career, from her early "shooting pictures," in which she fired bullets at bags of paint, to the creation of the exuberantly formed life-sized dolls she called "Nanas," which established her as an international success. NUBIA

She/her

“I believe it is one’s actions, not their words, that hold their truth.”

The Amazon warrior Nubia has always represented the highest ideals of honor and bravery. She was reborn from the Well of Souls on Themyscira at the same time that Wonder Woman was given life by the gods, and the two have lived as sisters ever since. For many years, Nubia was the guardian of Doom’s Doorway, a gateway in the caves of Themyscira leading to the realm of Hades. It was her duty to ensure that any monsters that escaped through the Doorway were swiftly captured.

When Queen Hippolyta offered a test to decide who should be her successor, only Nubia stepped forward and conquered it, proving herself worthy of the crown. As Queen of the Amazons, Nubia rules with a focus on the bonds of community and unity between her Amazonian sisters—and no bond is stronger than Nubia’s relationship with Io, the most gifted weaponsmith in Themyscira. Whenever the demands of ruling become too hard to bear, Nubia can be found in the soft embrace of Io’s arms.

SUPERMAN

(JON KENT)

He/him

“Truth. Justice. And a better world.”

Jonathan “Jon” Kent lived the first years of his life unaware that his parents were acclaimed journalist Lois Lane and Clark Kent, the original Superman. Clark and Lois wanted him to have a normal childhood, but when they realized that Jon had inherited Clark’s powers, it became clear that their son was too extraordinary to ever be ordinary.

Wearing his own version of his father’s costume, 10-year-old Jon had a brief but eventful career as Superboy, frequently teaming up with Batman’s son, Damian Wayne. It was during one of these Superboy adventures that Jon found himself trapped on an alternate Earth and spent seven long years trying to get home. When he finally made it back, he discovered that on his Earth, he had only been gone for three weeks!

As a teenager, Superboy continued to fight evil at his father’s side. When Clark had to go to space and deal with an intergalactic threat, Jon took up the mantle of Superman, determined to live up to his father’s name. Jon also began exploring his bisexuality and started dating Jay Nakamura. Jon was nervous about his father’s reaction to his boyfriend, but he needn’t have worried. Clark returned home with nothing but love and acceptance.
