A full-color fantasy comic/webtoon from Korea about romance, drama, and second chances!

*Also known in English as **The Fantasie of a Stepmother** on the Tapas Media digital platform, this is the story of a beleaguered young noblewoman raising her stepchildren on her own...until she dies and wakes up in the past with the chance to remake her life.*

What are webtoons?

A digital comic format popularized in South Korea: comics are typically full-color, read left to right, and are optimized for "vertical scroll" reading on smartphones. The format is used for comics from Korea (manhwa) and beyond, including *Solo Leveling* and *Lore Olympus*.
