Direct Market Ordering Catalog for Products Shipping in June and Beyond

Hello comic retailers and fans!

Welcome to PRH Panels, the Penguin Random House catalog for the Direct Market, highlighting the incredible graphic novels, manga, games, and more that debut every month. We can't wait for you to find the next story to inspire and entertain you, and the latest games and gifts to bring you together.

We're thrilled to welcome Dark Horse to our Comics section this month! Our first-ever Dark Horse comic spotlight is ***The Oddly Pedestrian Life Of Christopher Chaos I #1***, the debut to a series described as *Invincible* meets *Doom Patrol* from the powerhouse team of James Tynion IV (*Something is Killing the Children*), Tate Brombal (*House of Slaughter*), and Isaac Goodhart (*Victor and Nora: A Gotham Love Story*)! With a team-up like that, this LGBTQ+ horror-hero coming-of-age series is one nobody should miss.

Speaking of great LGBTQ+ horror, our Graphic Novel section features ***Boys Weekend***, a hilarious trans "final girl" horror from the award-winning cartoonist and editor of The Nib! Even though Sammie hasn't identified as a man for over a year, their formerly closest friend Adam has asked them to be his "best man" and invited them to a bachelor weekend in El Campo, a hedonistic wonderland of a city floating in international waters. Dodging passive-aggressive comments is bad enough, but Sammie seems to be the only one who notices the mysterious cult that's also staying at the hotel? Part satire, part horror, ***Boys Weekend*** explores what it's like being a transfemme person in a man's world.

Young love is in the air in our Kids & YA section with ***The Love Report***! BFFs Grace and Lola are taking a very scientific approach to observing, studying, and analyzing love at their Junior High in this middle school graphic novel series debut. These two will ask the hard hitting questions like: what makes the popular girl so alluring? Why do some crushes crash and burn? And what's the deal with boys, anyway?? Everything will be compiled in ***The Love Report***!

Our Manga section is still very light this month as FOC and catalog dates are shifted to close up the gap in the ordering window. We do have a special manhwa (Korean comic) to highlight with ***Who Made Me a Princess Vol. 1***! When a modern woman is reincarnated as the doomed baby princess in a romance novel, she'll set out to change her fate and keep the tyrant king from executing her! The thing is, the tyrant king...is her own father! She'll have to turn up the charm and become a beloved daughter to avoid getting killed again! This massively successful webcomic is finally in print!

Finally, our Games & Gift section features ***The Art of Solar Opposites***, the perfect addition to any fan's collection! Check out all-new behind the scenes art for the worlds and characters featured in the first two seasons of *Solar Opposites*, as well as details on how the hit series was developed.

All this and much, much more can be found in this month's PRH Panels. Don't hesitate to explore this catalog and find the perfect new book! As always, retailers who have any questions about the ordering process or would like to open an account with PRH, are encouraged to email us at comicmarketUS@penguinrandomhouse.com.

Wishing you the very best,

Your US Direct Market Comic Team

Godzilla: Here There Be Dragons #1 Cover A (Miranda)

Written by FRANK TIERI;
Illustrated by INAKI MIRANDA;
Cover Design or Artwork by INAKI MIRANDA

In the 1500s, before humanity had successfully traveled the entire globe, it was believed that monsters ruled the oceans just beyond the horizon. "Here there be dragons" was written on maps to denote the areas people dared not go. That is, until Sir Francis Drake circumnavigated the seas, visiting foreign lands and collecting treasure. That's what history tells us, at least, but history does not have the full tale. Monsters did lurk yonder, living on an island that still doesn't appear on any map, and among them was the king of them all...Godzilla!

Boys Weekend

Written by **MATTIE LUBCHANSKY**

Newly-out trans artist's assistant Sammie is invited to an old friend's bachelor weekend in El Campo, a hedonistic wonderland of a city floating in the Atlantic Ocean's international waters—think Las Vegas with even fewer rules. Though they have not identified as a man for over a year, Sammie's college buddies haven't quite gotten the message—as evidenced by their formerly closest friend Adam asking them to be his “best man.”

Arriving at the swanky hotel, Sammie immediately questions their decision to come. Bad enough that they have to suffer through a torrent of passive-aggressive comments from the groom's pals—all met with zero pushback from supposed “nice guy” Adam. But also, they seem to be the only one who's noticed the mysterious cult that's also staying at the hotel, and is ritually dismembering guests and demanding fealty to their bloodthirsty god.

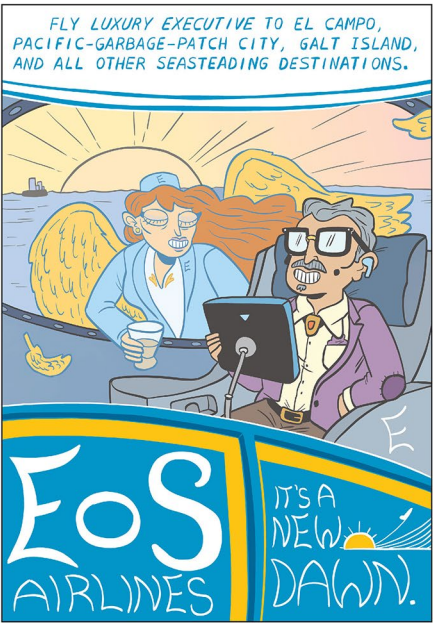

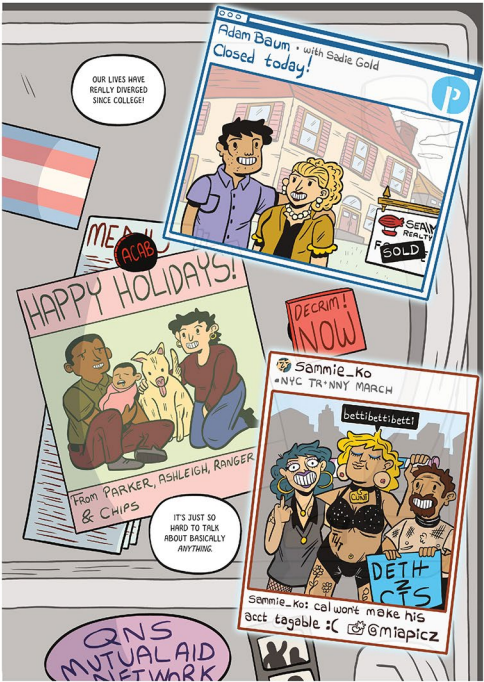

Part satire, part horror, Boys Weekend explores what it's like to exist as a transfemme person in a man's world, the difficulty of maintaining friendships through transition, and the more cult-like effects of masculinity, “hustle” culture, and capitalism.

Social Fiction

Written by CHANTAL MONTELLIER;
Translated by GEOFFREY BROCK

An anonymous official chides a man under surveillance for stepping out of view of a security camera; newlyweds living in an authoritarian New York City attempt to navigate the insidious hurdles of being permitted to have a child; and a Puerto Rican boxer discovers that segregation continues in America long after death.

These are the visions of Chantal Montellier, a contributor to the legendary *Métal Hurlant*, and the creator of some of the most striking and stirring science fiction comics of the 1970s and 1980s. Montellier's blend of dark humor, gripping storytelling, and consistent focus on the perils of totalitarianism, shows her to be a master of both comics and science fiction.
