

The full-color graphic novel hit of MODERN LGBT+ ROMANCE!

Veloce loves Blackbird. Blackbird loves Veloce. These two young women may have strange chemistry and seemingly nothing in common, but somehow, their offbeat relationship works. Join them for a dance through the city they call home as they satisfy Blackbird's sweet tooth and indulge Veloce in her attempts to understand fashion. In an alternate universe, this sorceress and assassin share a very different reality...but in this one, they're a modern couple who have built a life together—and they intend to enjoy it.
