Direct Market Ordering Catalog for Products Shipping in July and Beyond

Hello comic retailers and fans!

Welcome to PRH Panels, the Penguin Random House catalog for the Direct Market, highlighting the incredible graphic novels, manga, games, and more that debut every month. We can't wait for you to find the next story to inspire and entertain you, and the latest games and gifts to bring you together.

We've got two spectacular series debuts in our Comics section this month! First, get ready for hot orc summer with ***The Hunger and the Dusk #1***, the highly anticipated new series from G. Willow Wilson and Chris Wildgoose. On a dying world, only orcs and humans remain, mortal enemies battling for territory. But when a more dangerous threat appears, these ancient foes will be forced to work together in a high fantasy adventure you do not want to miss!

Then we take to the skies in ***Barnstormers #1***, a high-flying adventure exploring love and war, from the dynamic duo of Scott Snyder and Tula Lotay. It's the early days of barnstorming, when pilots competed with each other by performing deadly feats in their planes, and pilot John Baron is traveling from town to town entertaining folks. When he meets Helen, someone who shares his passion for aviation and adventure, they become a traveling act...and so much more. It's a tale of romance in the clouds!

We're traveling even further up in our Graphic Novel section, taking to the stars with ***Arca***, a dystopian graphic novel that hits very close to home! The world is dying, but the rich have hopped a rocket and traveled to another habitable planet to live in luxury. Their every need is taken care of by teenagers who are willing to act as slaves in return for the promise of a new life. But Persephone discovers this promise is a lie and must fight to survive against the billionaires who will gladly kill her to keep their secret.

Our Kids & YA section looks at friendship, loss, and moving on with ***Dear Rosie***. Seventh-grader Millie has the best friends in the world, but when her pal Rosie dies in a car accident, everything changes. Struggling to process her grief, she outruns her emotions by throwing herself into a mystery: a cryptic notebook she's found. Determined to see how this might relate to Rose, Millie and her friends will embark on a heartwarming journey of healing. This powerful middle-grade graphic novel is perfect for fans of *Stargazing* and *Real Friends*.

Our Manga section is still very light this month as FOC and catalog dates are shifted to close up the gap in the ordering window.

Finally, our Games & Gift section is encouraging you to find your inner superhero with ***Marvel Studios Be More Captain Marvel***. Packed with iconic movie scenes, inspiring quotes, and useful lifestyle tips, this is the perfect gift for anyone looking for guidance on being self-reliant, embracing change, and leading by example. Be sure to read this great advice before seeing *The Marvels* in theaters this fall!

All this and much, much more can be found in this month's PRH Panels. Don't hesitate to explore this catalog and find the perfect new book! As always, retailers who have any questions about the ordering process or would like to open an account with PRH, are encouraged to email us at comicmarketUS@penguinrandomhouse.com.

A dystopian sci-fi perfect for fans of *The Hunger Games*!

Arca

Written by VAN JENSEN;
Illustrated by JESSE LONERGAN

The planet is dying, the rich are escaping, and absolutely nothing is what it seems in this thrilling new dystopian graphic novel.

The world burned. But the rich and powerful...they had a plan.

When society fell apart, a select group of billionaires had an escape hatch: a rocket aimed at the nearest habitable planet, a ship equipped with many of the luxuries of life on Earth—why survive if you can't survive in style? Their every need is tended to by teenagers who are willing to act as slaves in return for the promise of a new life. This is a good story. But, like so many stories, it is not true.

Inside a great, sealed survival chamber, one slave—a teenage girl named Persephone—discovers that the promised future of comfort is a myth. And with that knowledge, she must fight for her survival against the billionaires, who would gladly kill her to protect the hidden truth.

Hans Vogel is Dead Volume 1

Created by SIERRA BARNES

There are some acts that can never truly be forgiven.

It's the height of WWII, and the Nazi forces are driving through Europe. Decorated German fighter pilot Hans Vogel follows orders and doesn't ask questions. It's worked out well for him...so far. But when his plane is shot down in the middle of an air raid over London, he is dead before he hits the ground. And that's only the beginning of his problems.

Sierra Barnes weaves a rich anti-fascist fairytale about the importance of recognizing past wrongs, even (especially) when it's easier not to.

Written by BEN CLANTON

Narwhal and Jelly celebrate the spookiest time of the year—Halloween—with a super twist!

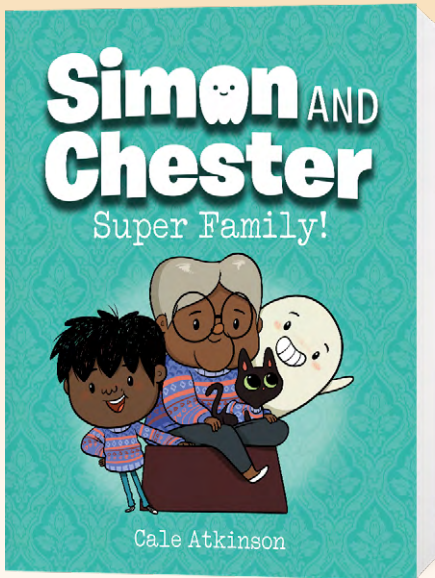

Narwhal loves Halloween—it's a great excuse to dress up in a spooky and silly costume, like a ghost, a mermaid, a banana or maybe even Marlow the Mustachioed Moose. It's a skeleTON of fun! Jelly isn't dressing up, though—he's a little scared of this time of year, and would prefer to hunker down in a hidey-hole until Halloween is over. George R. R. Martin Presents Wild Cards: Pairing Up

An Anthology

Edited by GEORGE R. R. MARTIN;
Contributions by MELINDA M. SNODGRASS,
KEVIN ANDREW MURPHY, MARKO KLOOS
and BRADLEY DENTON

Superheroes and villains do battle over the human heart in this delightful anthology featuring all-new stories from a wide range of contributors, all set in the Wild Cards universe.

An alien virus ravages the world, its results as random as a hand of cards. Those infected either draw the black queen and die, draw an ace and receive superpowers, or draw the joker and are bizarrely mutated.

One of the most enduring human drives is the search for love. Aces and jokers alike both want to find it, or have lost it . . . or perhaps just want to use it for personal gain. Crazy, unconventional, touching, strange, and oh-so-familiar, this is love, Wild Cards-style.

INTERIOR SPREADS FROM **Marvel Studios Be More Captain Marvel**

"You were the most powerful person
I knew, way before you could shoot
fire from your fists."

Maria Rambeau

20

DON'T GO IT ALONE

A TRUE ALLY IS AN HONEST ONE

When Maria Rambeau was reunited with her long-lost best friend Carol Danvers, she saw Carol struggling with her identity and deciding who to trust. When Carol needed her most, Maria proved to be a real friend, firmly reminding Carol of her innate courage and strength. Maria always believed in Carol and wasn't going to let her give in to self doubt. A true ally is someone who cares enough about you to tell you hard truths.

21

"What's your name? Goose?
A cool name for a cool cat!"

Nick Fury

26

DON'T GO IT ALONE

DON'T JUDGE A BOOK BY ITS COVER

When Nick Fury first encountered Captain Marvel, he had to quickly decide if she was trustworthy. Fury doesn't go by appearances; he trusts people based on their actions. It's important to give others a chance to prove themselves, because you never know what someone is capable of. That shape-shifting Skrull might be a valuable ally, and that cute cat might actually be a tentacled alien who will smuggle the Tesseract across the galaxy in her belly.
