Direct Market Ordering Catalog for Products Shipping in August and Beyond

## Hello comic retailers and fans!

Welcome to PRH Panels, the Penguin Random House catalog for the Direct Market, highlighting the incredible graphic novels, manga, games, and more that debut every month. We can't wait for you to find the next story to inspire and entertain you, and the latest games and gifts to bring you together.

In our Comics section, we're featuring ***Black Hammer: The End #1***, which kicks off the next era of the Black Hammer Universe! This Eisner Award-winning superhero saga picks up right after the hit Reborn series, and takes us on a world-hopping adventure! We're also spotlighting ***Dark Spaces: The Hollywood Special #1***, a new addition to Scott Snyder's Dark Spaces anthology series. It's 1942, and fading star Vivian Drake has boarded the luxury train The Hollywood Special in an attempt to save her career and give the tabloids some good press for once. But when the train pulls into a mining town, Vivian will have to face every bad memory in the form of the Mismatch Man...

We've got a timeless coming-of-age story in our Graphic Novels section with ***The Complete Persepolis 20th Anniversary Edition***. Marjane Satrapi's best-selling and highly acclaimed memoir-in-comic-strips is available in hardcover for the first time, presenting her childhood growing up during the Islamic Revolution and her self-imposed exile from her beloved homeland. This edition includes a new introduction from Satrapi that examines the Iranian political landscape in the context of global politics.

It's time for a road trip in our Kids & YA section with ***Mexikid!*** This graphic memoir is all about a Mexican-American boy's family road trip to bring back their abuelito from Mexico to live with them. Pedro has grown up hearing about his legendary crime-fighting grandfather who was once part of the Mexican Revolution. But he already has to live with his 8 brothers and sisters, so the house is crowded enough without abuelito moving in! Luckily, the road trip gives him the chance to connect with his grandfather and learn what it means to grow up.

Our Manga, Manwha, and Manhua section is back! Love is in the air with our featured title ***The Knight Captain is the New Princess-to-Be Vol. 1***, a shojo rom-com about a dashing female bodyguard whose pretend engagement to her childhood best friend backfires. Because her childhood best friend happens to be the prince, and he doesn't think the engagement is just pretend! What's a knight to do when the prince is determined to marry you?!

Finally, break out the good silverware, because our Games & Gift section features ***Exquisite Exandria: The Official Cookbook of Critical Role!*** Take a trip across the world of Critical Role with sixty delicious recipes accompanied by the histories of each land. From savory pastas to sweet hand pies, this cookbook has all you need to really get into character. Includes a forward by Quyen Tran and Sam Riegel!

All this and much, much more can be found in this month's PRH Panels. Don't hesitate to explore this catalog and find the perfect new book! As always, retailers who have any questions about the ordering process or would like to open an account with PRH, are encouraged to email us at [comicmarketUS@penguinrandomhouse.com](mailto:comicmarketUS@penguinrandomhouse.com).

### Dark Spaces: The Hollywood Special #1 Cover A (Roe)

Written by JEREMY LAMBERT;  
Illustrated by CLAIRE ROE; Cover  
Design or Artwork by CLAIRE ROE

All aboard THE HOLLYWOOD SPECIAL, the 1942 luxury train touring the United States to support the war effort. On board is fading star Vivian Drake, doing her part to boost morale and finally give the tabloids something other than her nose-diving career and shambles of a family life to write about. But when the Special pulls into the coal-mining town of Minersville, PA, amid the collapse of a mine, Vivian finds herself facing every failure and bad memory she's bottled up in the form of what the miners found in the dark—the thing they call the Mismatch Man, who feeds on pain and regret. Writer Jeremy Lambert (Doom Patrol, Buffy the Vampire Slayer), artist Claire Roe (Bury the Lede, Batgirl and the Birds of Prey), and colorist Jordie Bellaire (Detective Comics, Hellblazer) bring you an all-new entry into Scott Snyder's Dark Spaces line of white-knuckle thrillers, a character-driven tale of memories, and the things we do our damndest to sweep under the rug.

## The Complete Persepolis

20<sup>th</sup> Anniversary Edition

Written by MARJANE SATRAPI;

Translated by ANJALI SINGH

For the first time in hardcover, a stunning twentieth anniversary collected edition of “the most original coming-of-age story from the Middle East yet” (People), with a new introduction by the author that examines the Iranian political landscape in the context of global politics.

Here, in one volume: Marjane Satrapi’s best-selling, internationally acclaimed memoir-in-comic-strips. Persepolis is the story of Satrapi’s unforgettable childhood and coming of age within a large and loving family in Tehran during the Islamic Revolution; of the contradictions between private and public life in a country plagued by political upheaval; of her high school years in Vienna facing the trials of adolescence far from her family; of her homecoming—both sweet and terrible; and, finally, of her self-imposed exile from her beloved homeland. It is the chronicle of a girlhood and adolescence at once outrageous and familiar, a young life entwined with the history of her country yet filled with the universal trials and joys of growing up.

Edgy, searingly observant, and candid, Persepolis is a stunning work from one of the most highly regarded, singularly talented graphic artists at work today.

Frank Santoro faces a straightforward yet heart-rending reality: His parents, once high-school sweethearts, now never speak to each other—despite working in the same building. Stuck in the middle, he tries to understand. The result is this book.

## The Girl Who Became a Fish

Maiden's Bookshelf

Illustrated by NEKOSUKE

Suwa and her father live alone on the slopes of Horsebare Mountain, eking out the most meager of existences. Suwa would do anything to escape the life to which her father has resigned himself. And the lure of the river is strong...

This early classic from the author of Japan's greatest modern novel is a dark, elliptical tale of hopelessness that weaves the folklore of the mountains into an anti-coming-of-age story as vividly relevant today as it was when it was written nearly a hundred years ago.
