Direct Market Ordering Catalog for Products Shipping in November and Beyond

Hello comic retailers and fans!

Welcome to PRH Panels, the Penguin Random House catalog for the Direct Market, highlighting the incredible graphic novels, manga, games, and more that debut every month. We can't wait for you to find the next story to inspire and entertain you, and the latest games and gifts to bring you together.

In our Comics section, we're spotlighting two rather frightening comics! First up is ***Count Crowley: Mediocre Midnight Monster Hunter #1***, which kicks off the third volume in the hit horror series, Count Crowley. With werewolves, monster hunters, and ghoulish child-snatchers galore, this is perfect for spooky season! Then we have ***The Ministry of Compliance #1***, a bold new sci-fi story about a secret invasion of Earth and a collection of alien ministries steering humanity from the shadows in order to assimilate them into their empire. But what happens when the ministry in charge of keeping all the other ministries in check starts to go off the rails? It's an intergalactic conspiracy that'll keep you guessing!

We're spotlighting a deeply emotion and incredibly important book in our Graphic Novels section with ***Transitions***. Anne always thought she was open-minded, until her child comes out as a transgender man. Suddenly she's overwhelmed with questions and confusion, and is forced to reckon with her own internalized biases. It's not an easy road, but she works hard to become the mother her son needs. This is exactly the book parents should read to learn how to be supportive of their trans kids, as well as anyone interested in a story of personal growth.

Get ready to laugh with our Kids & YA spotlight title ***Max Meow 5: Attack of the ZomBEES***, the buzzzz-worthy new adventure starring your favorite feline superhero! Max and Mindy have to stop Dr. ZomBEE from taking over the city with mind-controlled bees! The entire Max Meow series is what Kirkus Reviews refers to as "catnip for fans of Dav Pilkey's Dog Man," and it includes bonus how-to-draw activities.

Our Manga, Manhwa, & Manhua section features a hit boys' love series that's now in print, with two different editions available for readers! ***ENNEAD Vol. 1*** is a dramatic fantasy reimagining of the gods of ancient Egypt, packed with deceit, obsession, and desire as Horus and Seth face off to control the throne. The paperback edition is rated for Older Teen, while the hardcover edition is very much Mature audiences only!

Finally, our Games & Gift section takes us to a turbulent era in a galaxy far, far away with ***Star Wars Dawn of Rebellion The Visual Guide***. This guide takes you through the key characters, locations, and more from the hit Disney+ series *Obi-Wan Kenobi* and *Andor*, with supporting material from the Skywalker saga. It's a great gift for anyone interested in the Dawn of Rebellion!

All this and much, much more can be found in this month's PRH Panels. Don't hesitate to explore this catalog and find the perfect new book! As always, retailers who have any questions about the ordering process or would like to open an account with PRH, are encouraged to email us at comicmarketUS@penguinrandomhouse.com.

Wishing you the very best,

Written by PATRICK HORVATH;
Illustrated by PATRICK HORVATH;
Cover Design or Artwork by PATRICK HORVATH

Horried to learn that she’s not the only serial killer in Woodbrook—and insulted, frankly, by the rookie’s flare for the dramatic—Samantha hits the pavement to silence the competition before they ruin her quiet, perfectly curated life. But the insufferable latte-chugging local busybody Cherry Gherkins is poisoning the town with her own theories about the murder, and things are about to get messy. Grab a cup of cocoa and curl up with the second chapter of Patrick Horvath’s twisted tale of a cozy animal community in crisis!

Death Strikes: The Emperor of Atlantis

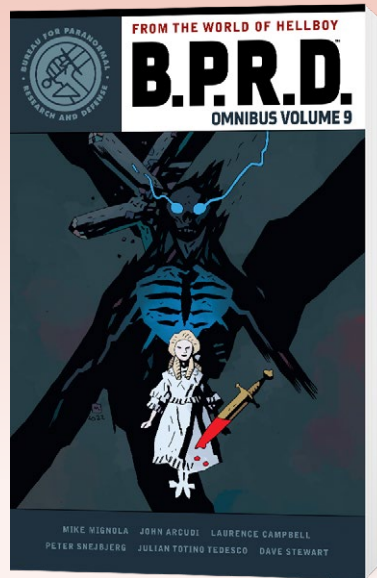

Written by DAVE MAASS; Illustrated by PATRICK LAY, EZRA ROSE and RICHARD BRUNING

Mixing dystopian sci-fi, mythic fantasy, and zombie horror, *Death Strikes: The Emperor of Atlantis*, is a graphic novel based on a suppressed opera written in 1943 by Peter Kien and Viktor Ullmann, two prisoners at the Terezín concentration camp in Czechoslovakia. The authors did not live to see their masterpiece performed.

Set in an alternative universe where Atlantis never sank but instead became a technologically advanced tyranny, the power-mad buffoonish Emperor declares all-out war—everyone against everyone. Death goes on a labor strike, creating a hellscape where everyone fights, but no one dies. Can the spirit of Life stop this terror with the power of love?

Includes designs from the original opera, historical essays, photographs, and more.

A Mother's Journey

Written by ÉLODIE DURAND;

Translated by EVAN MCGORRAY

"I thought I was open-minded...

The news of my child's gender change hit me like a tidal wave, sweeping away all my certainties. Sweeping away the comfort of my tidy little life."

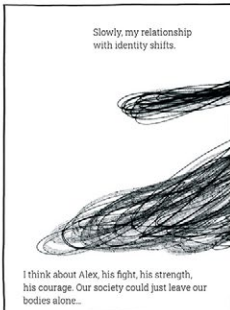

When university biologist Anne Marbot learns that the 19-year-old she raised as "Lucie" is a transgender man named Alex, she's overwhelmed by questions. It soon becomes clear that Alex is not the only one embarking on a journey of self-discovery. The road is not easy, and sometimes their relationship is bitterly strained. But Alex is sure of himself, and Anne is determined to be strong for his sake. With time, she too will be transformed, rediscovering her identity as a mother in profound new ways.

With grace and sensitivity, award-winning graphic novelist Élodie Durand (Parenthesis) captures the unique journey of well-meaning loved ones who struggle to reconcile new gender identities with their old assumptions. Deeply researched and drawn from true experience, *Transitions* is a must-read companion for allies and families navigating trans issues and a compassionate roadmap to acceptance.

CHAPTER 1: ESTABLISHING THE EMPIRE

THE RISE OF THE STORMTROOPER

The existence of a Jedi-commissioned clone army ready to counter the growing Separatist movement came as a revelation to the Republic. The soldiers themselves also proved surprising. Conventional wisdom dictated that genetic duplication in laboratory conditions ensured uniformity across the clone troopers, and the Kaminoans lauded themselves on such reliability. But once the clones went into battle and, crucially, were led by the Jedi Knights, their urge for individuality blossomed.

This trend alarmed the secret mastermind of the Clone Wars—Darth Sidious. The secret weapon of the Order 66, encoded into each clone's genetic makeup, needed complete, uniform subservience to work. When the time came, the order's execution largely succeeded, but there were a few strong-minded clones who resisted. For the next generation of Imperial soldier, Sidious concludes that unquestioning loyalty and subordination can be better achieved through indoctrination, and propaganda, rather than genetic.

Centrally crafted recruitment posters lionized early stormtroopers as guardians of security and tradition in the Empire.

VICE ADMIRAL RAMPART

A devoted Imperial might, Edmon Rampart fully supports the transformations sweeping the galaxy. He helps implement the standardized chain code 0x to cutting officers. Rampart later engineers the destruction of Tipoca City to do away with the cloning operations. He is arrested when evidence of this act is revealed to the Senate—despite the fact that he was following orders—it is a move that furthers Palpatine's agenda.

The alterations embodied in Clone Force 99 are of great interest to Hemlock.

DOCTOR HEMLOCK

Through the Empire phases out the clone troopers, the Emperor still has an interest in cloning and genetic manipulation. Royce Hemlock, a disgraced Republic scientist, rises to the opportunity as the Advanced Science Division, leading classified experimentation within a medical facility secreted in Mount Tantiss on Wayland.

Imperial Science Officer's uniform.

FALL OF THE CLONE ARMY

SENATOR CHUCHI

A representative from Pantora, Rey Chuchi loyally served the Republic during the Clone Wars and credits the clone army for the salvation of her world and people. She wants to ensure they are taken care of in the future of the Empire and publicly endorses a pilot that targets the Kamino operation.

Traditional Pantoran crowd control rigging.

NAX

Overlooked on the streets of Dairys is the clone trooper Nax. He is a veteran of many battles, including Teth, Christophsis, and Umbara, but was removed from the frontlines after extensive injuries. Rapidly declining from age acceleration and neglect, Nax asks passersby for credits.

Soldier helmet now serves as a credit mallet.

Tattered rag to keep warm.

Leg still carries battlefield equipment.

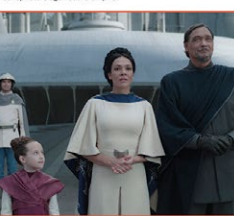

CHAPTER 2: THE DARK TIMES

HOUSE ORGANA

House Organa is one of the oldest families on Alderaan and is a valued member of the Elder Houses: a high-society organization which favors and champions hereditary monarchies. Although the organization held more legitimacy in centuries past, in modern times it serves as more of a social club with little in the way of an agenda. Despite the Elder Houses' decline in relevancy, House Organa remains prominent as the Royal House of Alderaan.

By the reign of the Empire, Alderaan is governed by Queen Breha Organa and represented in the Galactic Senate by her consort, Senator Bail Prestor Organa. The Organas' connection to key individuals during the Clone Wars, including Padmé Amidala, Obi-Wan Kenobi, and Anakin Skywalker, mean they are conscious of significant events the rest of the galaxy is otherwise not privy to. Aware of the elaborate coup staged by then-Supreme Chancellor Palpatine, and that the claims of a Jedi insurgency and an attempt against the Chancellor's life are false, the Organas become early conspirators against the Empire.

Princess Leia stands beside her mother and father, who eagerly await the arrival of Breha's sister Celly and her family.

NIANO ORGANA

Niame Organa is the adolescent son of Duchess Celly Organa and Duke Kayo Organa. At home, Niame can usually be found playing vid games in his den. In spite of being constantly watched on by droid servants, Niame considers them to be low life forms.

High throat cuff offers maximum comfort.

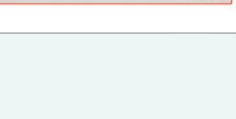

AGRIA

Agria is a loyal handmaiden and friend of Princess Leia. Inspired by the myths of Naboo, Leia asks Agria to pose as her decoy, insuring Breha will find it amusing. The queen is nearly fooled by Agria until she realizes she's holding the hand of an Incomorian and not one of her daughter's.

CELLEY AND KAYO ORGANA

Queen Breha's sister Celly and her husband Kayo enjoy the lavish parts of high society far more than the drudgery of politics. Knowing that the throne would pass to any children Breha may have, the duchess and duke moved to Hailan, Kayo's home city, as Alderaan was well represented by the Organa family.

BREHA ORGANA

Like all monarchs of Alderaan, Breha Organa undertakes her Day of Demand on her 16th Name Day to prove she was worthy of the crown. She becomes queen when the galaxy is still a democratic republic, and watches firsthand as it transforms into a tyrannical empire. Breha uses her position of power and wealth to aid in growing rebellion.

Traditional braided hairstyle.

Breha adorns her daughter's latest accessory, a sentimental brooch gifted to the young princess by rebel agent Tia Durn. It remains empty, for now.

BAIL PRESTOR ORGANA

Born into nobility as Bail Prestor of Alderaan, adventurous Bail fell in love and married Breha Organa as a young man. During the Clone Wars, Bail became the senator of Alderaan where he fought for peace and democracy, befriending many Jedi Generals in the process. As a new regime settles into the galaxy, Bail ensures he remains in the Galactic Senate, using his position to subtly impede the Empire at every opportunity.

Akira Kurosawa and I

Written by SHINOBU HASHIMOTO

Any list of Japan's greatest screenplay writers would feature Shinobu Hashimoto near or at the top. This memoir, focusing on his collaborations with Akira Kurosawa, a gifted scenarist in his own right, offers an indispensable insider account and invaluable insights into the unique process that is writing for the screen.

The vast majority of Kurosawa's oeuvre was filmed from screenplays that the director co-wrote with a stable of stellar scenarists. Among these was the author, who caught the filmmaker's attention with a script that eventually turned into *Rashomon*, and who went on to play an integral part in developing and writing two of the grandmaster's crowning jewels—*Ikiru* and *Seven Samurai*—and other cineaste favorites.
