## ACTIVITIES

Dear Reader,

Even superheroes have challenges that are tough to face.  
For young Batman™, it's going to school!

This picturebook tells the story of a shy Caped Crusader who prefers to stick to the shadows and play alone. Even though he initially doesn't fit in with the colorful and more outgoing kids around him, he soon learns that he has plenty to offer on his own terms.

Keith Negley's art and story are filled with humor and emotion that will help even the shiest child take on the day. This powerful story and these fun activities will get your child ready for school and help them find their inner superhero!

Happy reading,

Answer key:

# Your Super Self

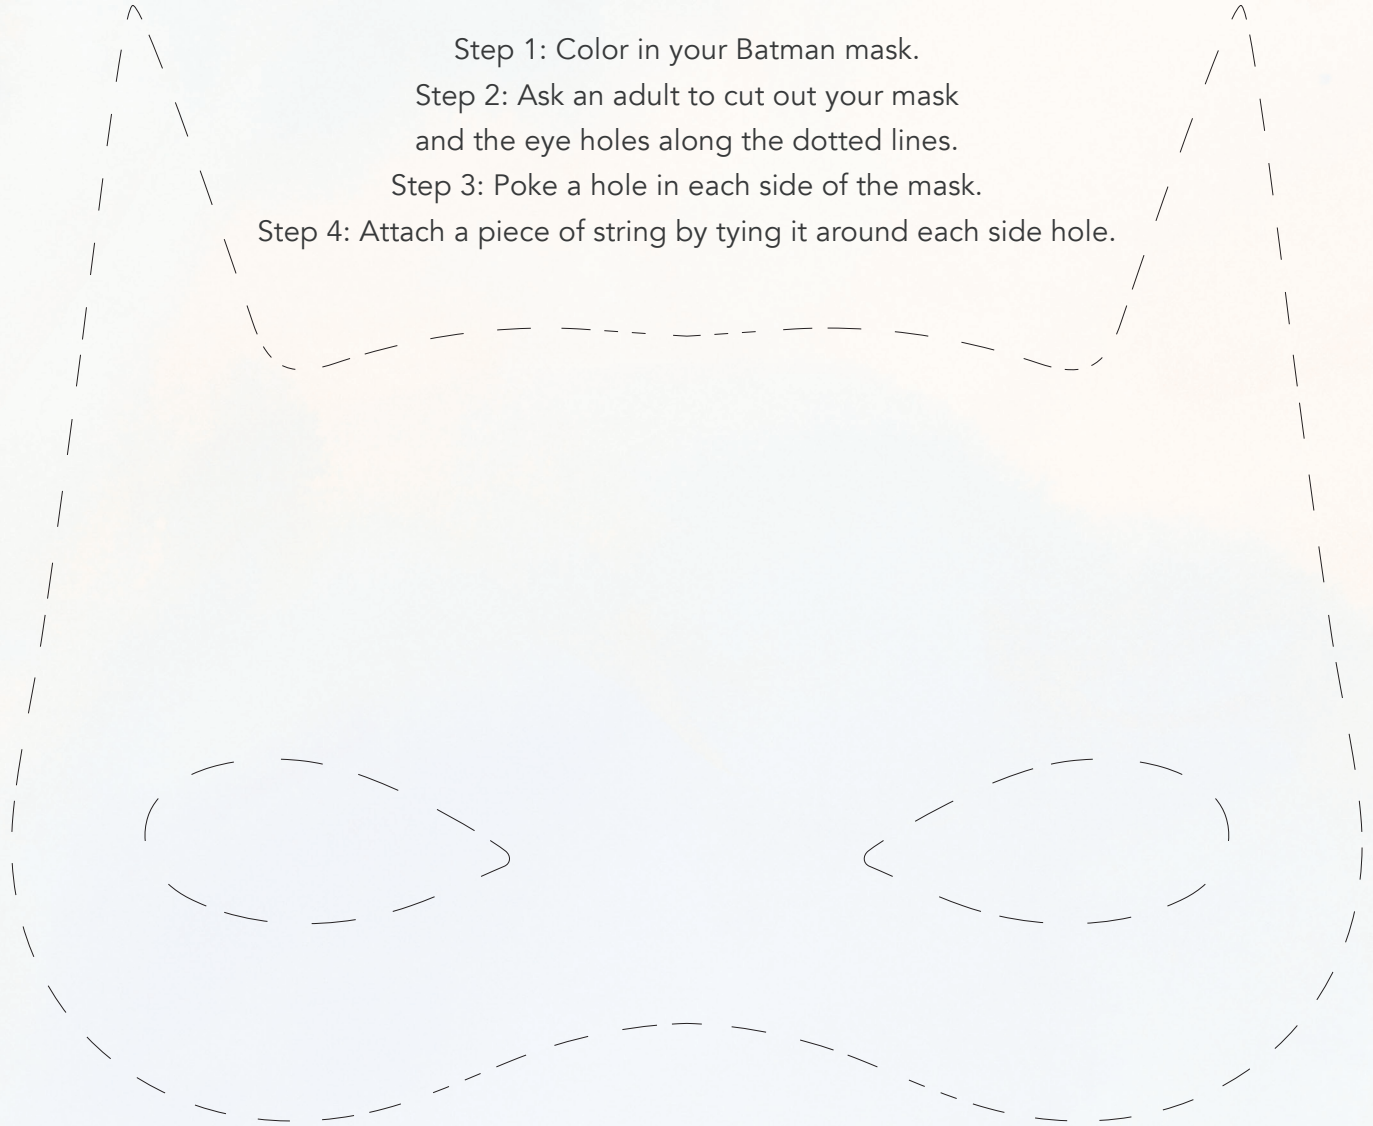

You're a lot like Batman! Grab some crayons, scissors, and string to create your own Batman mask.

Step 1: Color in your Batman mask.

Step 2: Ask an adult to cut out your mask and the eye holes along the dotted lines.

Step 3: Poke a hole in each side of the mask.

Step 4: Attach a piece of string by tying it around each side hole.
