Direct Market Ordering Catalog for Products Shipping in December and Beyond

## Hello comic retailers and fans!

Welcome to PRH Panels, the Penguin Random House catalog for the Direct Market, highlighting the incredible graphic novels, manga, games, and more that debut every month. We can't wait for you to find the next story to inspire and entertain you, and the latest games and gifts to bring you together.

Kicking off our Comics section is ***Masterpiece #1***, a new heist series with a twist! Emma is a brilliant 16-year-old who creates incredible inventions and popular webcomics. Then she finds out that her parents were the greatest master criminals of all time who stole from a billionaire! Said billionaire wants payback, so Emma has to form a crew of her peers and her parents' old associates to pull off the biggest heist of all time! Then, the road continues to the pivotal *Teenage Mutant Ninja Turtles #150* with ***Teenage Mutant Ninja Turtles #146***. It's a literal race against time as Donatello uncovers the truth about Armaggon's origins!

Speaking of time, we're looking at a very different change of life in our Graphic Novels section with ***The Change!*** This is the first graphic novel co-written by Whoopi Goldberg and features Isabel, a woman who isn't satisfied with the life she's lived and is frustrated with the changes her body is going through as an older woman. She has no idea things will change even more when she develops superpowers! This is a great graphic novel for folks looking for very relatable older superheroes!

In our Kids & YA section, we have ***The Marble Queen***, a gorgeous new YA graphic novel featuring sword fighting, political intrigue, and sapphic romance! When Princess Amelia's kingdom is left in shambles after pirates ravage their trade routes, her only option to save her country is a marriage alliance. When she gets an exorbitant offer from the mysterious country of Iliad, she accepts without question, only to find her betrothed is not the prince, but the recently coronated Queen Salira! Amelia will have to make sense of her feelings while war looms on the horizon. Fans of *Nimona* and *The Princess and the Dressmaker* will love this!

We're getting extra cozy in our Manga, Manhwa, & Manhua section with ***Breakfast with My Two-Tailed Cat Vol. 1!*** Souichiro's wife passed away before they could enjoy their new life in the countryside, but their pet cat Nii turned into a talking two-tailed yokai cat so he wouldn't be lonely! This series will warm your heart as another great addition to the cat manga genre.

Finally, we're spotlighting ***The Art of Star Wars Jedi: Survivor (Deluxe Edition)*** in our Games & Gift section. This deluxe edition art book collects concept art and creator commentary from the next chapter in Cal Kestis' thrilling saga in the hit game *Star Wars Jedi: Survivor*. See how the game developed and explore all the details in the gorgeous landscapes, ships, and weapons. This deluxe edition features metallic printing treatments, a protective slipcase, and a folio enclosing an archive-quality lithograph, so it's the perfect gift for fans of the game, and of *Star Wars* in general!

All this and much, much more can be found in this month's PRH Panels. Don't hesitate to explore this catalog and find the perfect new book! ## Moebius Library: The Major

Written by JEAN “MÖBIUS” GIRAUD;  
Illustrated by JEAN “MÖBIUS” GIRAUD;  
Translated by DIANA SCHUTZ;  
Contributions by ADAM PRUETT

The lead character of this pseudo-story, Major Grubert, evolves in a humorous yet philosophical manner, echoing how Möbius’s creations are treated in the Inside Möbius series. Join the Major on his last trip to the nebula of The Airtight Garage, where Möbius rules as the playful Trickster of legend. What begins as a comical jaunt into unusually profound philosophical questions regarding the nature of existence, eventually winds up as a penetrating examination of the relationship between the author and his creation, the latter of whom must necessarily suffer at the heartless whim of his creator, despite the Major’s passionate desire for real life—and even freedom—beyond these comics!
