Direct Market Ordering Catalog for Products Shipping in May and Beyond

Hello comic retailers and fans!

Welcome to PRH Panels, the Penguin Random House catalog for the Direct Market, highlighting the incredible graphic novels, manga, games, and more that debut every month. We can't wait for you to find the next story to inspire and entertain you, and the latest games and gifts to bring you together.

We're introducing a new section to the catalog! The new category spotlight sections highlight our favorites in different categories every month. This month we're celebrating women's history month by spotlighting stories by and about women like *The Complete Persepolis*, *Far Sector*, and more! We've also selected some great gaming related titles and products we recommend like *The Dungeons & Dragons Tarot Deck*, and *The Sky: The Art of Final Fantasy Boxed Set*.

Our Comics section features *Anansi Boys I 1*, the start of the comic adaptation of Neil Gaiman's critically acclaimed novel. "Fat" Charlie Nancy leads a boring life as a boring Londoner, until he discovers two things: That his recently deceased father was, in fact, Anansi the Spider, the trickster god of African folklore, and that he has a twin brother he's never met. Which kicks off a reality-spanning odyssey of sibling rivalry, jealous deities, and one poor soul who'll realize what it means to be a god.

In our Graphic Novels section, we're spotlighting *Wonder Woman Vol. 1: Outlaw*, the new Wonder Woman series from award winning writer, Tom King. After a shocking alleged crime, the U.S. government moves to keep all Amazons out of the country. What will Wonder Woman discover when she goes on a quest to uncover the truth? And what new enemies will reveal themselves?

Our Kids & YA section spotlights an adventure through the shinto underworld in *Anzu and the Realm of Darkness*. Anzu has just moved to a new town during Obon, a time for families to remember and celebrate their ancestors. While avoiding holiday festivities, she stumbles into the Shinto underworld known as Yomi. She must now break a curse and free the spirits of other lost children or be stuck in Yomi forever.

Our Manga, Manhwa, & Manhua section includes *Monster Cats Vol 1*. This cute, full color, comedy manga is a series of funny short stories of humans living with different adorable supernatural cats. This series is perfect for cat lovers of all ages.

In our Games & Gift section we're featuring *The Magic: The Gathering Oracle Deck*. This 52 card oracle deck and guidebook includes 52 all-new illustrations that celebrate the characters, creatures, and lore of the world's largest trading card game. The artwork features a pantheon of gods, iconic creatures, and mythical beings from the Greek-inspired plane of Theros. This deck is a fantastic gift for any fan of the Magic: The Gathering card game.

All this and much, much more can be found in this month's PRH Panels. Don't hesitate to explore this catalog and find the perfect new book! As always, retailers who have any questions about the ordering process or would like to open an account with PRH, are encouraged to email us at comicmarketUS@penguinrandomhouse.com.

Introduction by NICOLE RUDICK

For years, Aidan Koch's comics have been pushing the boundaries of the medium, helping reimagine what a comic can look like, and the kinds of stories it can tell.

Koch has been living and working in the desert of California, turning her focus toward the ways humans and the natural world converge. Spiral and Other Stories is a triumph of that continuing process.

Using watercolors, pencils, crayons, charcoals, and collage, Koch builds worlds of dense detail and vast open spaces, urgent scrawled text and long silences, telling a series of stories about people and the places they inhabit.

Anzu and the Realm of Darkness

Written by MAI K. NGUYEN;

Illustrated by MAI K. NGUYEN

Anzu has just moved to a new town during Obon, a time for families to remember and celebrate their ancestors. Ever since her obaachan died, though, Obon has lost its magic. She doesn't feel much like celebrating anymore.

While avoiding holiday festivities, Anzu spots a stray dog down the street. A dog that seems to be staring right at her. But when she chases after it, she slips and falls down a ridge, losing consciousness. When she awakes, she's in the Shinto underworld known as Yomi, a place she's only heard about in Obaachan's stories. The stray dog, she finds out, is actually the Gatekeeper of Yomi, and he warns her to return to the human realm before it's too late.

Only, getting home is not as simple as she'd thought. Faced with the nefarious Queen Izanami of Yomi and a world full of creatures she'd once thought weren't real, the race against the clock is on. She must break a curse, free the spirits of other lost children, and reach the gate home before sunrise...or be stuck in Yomi forever.

Written by SARAH SAX

Alexandra, also known as Al, has been playing baseball with her older brothers for as long as she can remember. But when she ages out of Little League, it seems like it's the end of the road for Al and the sport she loves. Until, that is, her friend Sammy suggests that Al try out for the middle school team—a team that has always been boys-only.

When Al makes the team, it seems like everything is going to work out. But with a tenth consecutive championship on the line for Brinkley Middle School and a team that can't seem to get along, will their season ground out faster than Al can say "home run"?

Buns Gone Bad (Fluffle Bunnies, Book #1)

Written by ANNA HUMPHREY;
Illustrated by IRMA KNIIVILA

This story starts, as stories often do, with a tragedy.

Three bunnies are left without their mother when she goes off to Brazil to learn jiu-jitsu.

The bunnies, Flop, Biggie and Boingie, learn some hard truths about life pretty quick: squirrels will take over your cozy nest as soon as you leave and refuse to give it back, dogs are to be avoided at all costs and raccoons will believe anything you tell them.

With quick thinking, ingenuity and maybe a little bit of raccoon manipulation, these three buns will take on all comers to be the rulers of the park. Will they win?

Well, this IS an origin story . . .

The Magic: The Gathering Oracle Deck

A 52-Card Deck and
Guidebook: Oracle Cards

Written by
MAGIC: THE GATHERING

From the team behind The Dungeons & Dragons Tarot Deck comes this officially licensed oracle deck comprising 52 all-new illustrations that celebrate the characters, creatures, and lore of the world's largest trading card game, Magic: The Gathering. Inspired by Theros, the plane where monsters prevail, mortals endure, and heroes ascend, this deck features Jace, the Planeswalker; Hythonia, the legendary gorgon; and well-known creatures such as the Pegasus, Chimera, Sirens, and more.

With stunning illustrations, The Magic: The Gathering Oracle Deck also features a guidebook that introduces readers to the practice of oracle cards, including instructions on how to use and interpret the cards and descriptions of each card image. Both Theros and oracle cards hold belief as a powerful tool that we can use to create our reality, and with this deck you'll be inspired to explore new realms of meaning.

INTERIOR SPREADS FROM **The Magic: The Gathering Oracle Deck**

FIVE-CARD SPREAD

A five-card spread unfolds like a flower and gives the reading more flavor and depth. With multiple card spreads, the full meaning of the reading does not come until after the last card is placed. The whole spread—how the cards affect each other and their particular placement—is the reading, so with larger spreads, be patient, have fun, and watch it unfold.

Here is an example of a five-card spread with a bit of Theros-inspired flavor where each position's meaning is based on the principles of ancient Greek drama:

- 1 PROLOGUE** This is the overview of the issue, the current problem, or life situation.
- 2 PARADOS** This card represents the past—what has led up to this point.
- 3 EPISODE** This card represents the upcoming lesson—where the seeker needs to focus their awareness.
- 4 STASIMON** A higher perspective of the whole drama. A new way of looking at the current drama and how it can be overcome.
- 5 EXODOS** The resolution or theme of the drama. How to exit or evolve out of the drama. An area of new growth and power.

THE MENTOR
AJANI AND BRIMAZ

CARD MEANING We all have someone we admire, a mentor who embodies principles that we model our lives after, or an aspirational version of ourselves that we know dwells within us. Their example guides us toward mastering our own minds and emotions so we can create a better future.

REVERSED MEANING Although we are the ones responsible for our own lives, there are times when we need the input and support of others. Don't become isolated in your own thinking and don't be afraid to ask for help.

MTG STORY The planeswalker Ajani Goldmane was the mentor of Brimaz, and taught the King of the Leonin how to live in harmony with humans on Theros.

Book 2 of The Dark Elf Trilogy
Written by R.A. SALVATORE

Ten years have passed since we last saw Drizzt Do’Urden and his magical feline companion, Guenhwyvar—and much has changed. Exiled from Menzoberranzan, the city of his childhood and the hub of drow society, Drizzt now wanders the subterranean maze of the Underdark in search of a new home.

But loneliness is not the only thing that preys on Drizzt: His drow enemies, including his own siblings, would like nothing more than to see him dead. With murder on their minds, they begin their own search of the Underdark tunnels, forcing Drizzt to watch his back at every turn.

Dungeons & Dragons: Homeland (The Legend of Drizzt)

Book 1 of The Dark Elf Trilogy;

Written by R.A. SALVATORE

As the third son of Mother Malice and weapon-master Zaknafein, Drizzt Do'Urden must be sacrificed to Lolth, the evil Spider Queen, per the tradition of their matriarchal drow society. But the unexpected death of his older brother spares young Drizzt—though he is still at the mercy of his abusive sisters.

As Drizzt grows older and proves himself to be a formidable warrior at Melee-Magthere Academy, he realizes that his idea of good and evil does not match that of his fellow drow, who show only cruelty to the other creatures of the Underdark. Can Drizzt stay true to himself in a such an unforgiving, unprincipled world?

From skunks to shapeshifters, Faerûn is full of unfamiliar creatures and fresh dangers, which Drizzt must learn to navigate if he is to survive.

But while Drizzt acts with the best intentions, many of the surface dwellers regard him with fear and mistrust. Can he find faithful allies in this foreign land—or is he doomed to be a lonely outsider, just as he was in the Underdark?
