Direct Market Ordering Catalog for Products Shipping in August and Beyond

Hello comic retailers and fans!

Welcome to PRH Panels, the Penguin Random House catalog for the Direct Market, highlighting the incredible graphic novels, manga, games, and more that debut every month. We can't wait for you to find the next story to inspire and entertain you, and the latest games and gifts to bring you together.

In the category spotlight section we're spotlighting great standalone graphic novels that are perfect one and done reads to take with you on vacation like *Far Sector*, *Neverlanders*, and *Godzilla: The Half-Century War*! We're also celebrating Pride Month by spotlighting LGBTQIA+ stories like *Other Ever Afters*, *My Lesbian Experience With Loneliness*, and *US*!

Our Comics section features a unique vampire horror story in *Summer Shadows #1*! Nick Landry is on the unspoiled Greek island of Avraxos to look for his ex. But Anthony isn't the only one to disappear on Avraxos. Coast guard officer Alekos Kourkoulos is on the trail of another young man missing on the island. As the mystery deepens, Nick and Alekos discover that the brighter the sunshine, the darker the shadows...

In our Graphic Novels section, we're spotlighting *The Ministry of Compliance, Vol. 1*, a conspiracy filled sci-fi story from critically acclaimed writer John Ridley. An alien force called the Devolution has been secretly shaping the direction of humanity for the past 37 years using 13 ministries that each manipulate a different part of life. One member of the most powerful ministry, the ministry of compliance, must rally the rest of the ministries together after part of their plans go wrong,

Our Kids & YA section spotlights *We are Big Time*. Aliya is new to Wisconsin, and everything feels different than Florida. The Islamic school is bigger, the city is colder, and her new basketball team is...well, they stink. This season should be a blast...if they could just start to win. This graphic novel goes big with humor and heart as it explores culture and perceptions, fitting in and standing out, and finding yourself, both on and off the court.

Our Manga, Manhwa, & Manhua section includes a manga adaptation of a horror classic in *H.P. Lovecraft's The Call of Cthulhu (Manga)*. What links together two bands of worshippers is the inhuman phrase they both chant: "In his house at R'lyeh dead Cthulhu waits dreaming." Now these nightmares will disturb the sanity of Francis Thurston, a young man pursuing an investigation into the cult of Cthulhu that leads to the most forsaken spot in the vast Pacific...and to Earth's supreme terror, the risen corpse-city of R'lyeh.

In our Games & Gift section we're featuring *Marvel: What If... Wanda Maximoff and Peter Parker Were Siblings? (A Scarlet Witch & Spider-Man Story)*, the latest book in Marvel's *What If...* prose series! All Wanda has ever known is her friendly little neighborhood in Queens. As an infant, after her parents died, she was adopted into a family where her doting Aunt May and Uncle Ben would always be at the breakfast table. One that includes her idiot brother, Peter Parker, who thinks hiding a spider bite, joining a secret fight club, and becoming a super hero are somehow good ideas. When Wanda's own powers emerge, blood, chaos, and suspicion follow in their wake.

All this and much, much more can be found in this month's PRH Panels. Don't hesitate to explore this catalog and find the perfect new book! As always, retailers who have any questions about the ordering process or would like to open an account with PRH, are encouraged to email us at comicmarketUS@penguinrandomhouse.com.

With a little help from the Fantastic Four, Peter Parker has been separated from the suit and is now back in the ol' red-and-blues as he hunts for the Hobgoblin. But it's out of costume where the real revelations await: Mary Jane Watson has known Peter's dual identity for years, and now it's time for her to share her own secrets with him! It's one of the all-time great Marvel comic books, boldly re-presented in its original form, ads and all!

The Ministry of Compliance, Vol. 1

Written by JOHN RIDLEY;

Illustrated by STEFANO RAFFAELE

Thirty-seven years ago, Earth was secretly invaded by an alien force known as the Devolution, and they've been shaping the direction of humanity ever since. Why? To prepare us to be assimilated into their empire...

The Devolution has 13 ministries, each responsible for manipulating a different aspect of human life. The Ministry of Compliance, the most feared of all the ministries, led by the fierce Avigail Senna, keeps every ministry in line and focused on the empire's mission. Just as their mission is on the verge of success and Earth is about to be assimilated, the empire suffers a horrific blow.

For the survival of her people and herself, Avigail must rally the ministries together. A feat made near impossible as tensions and conspiracies run rampant.

Eisner Award-nominated filmmaker and critically acclaimed comic book writer John Ridley (*The Other History of the DC Universe*, *I Am Batman*) and acclaimed artist Stefano Rafael (*The Joker*, *GCPD: The Blue Wall*) deliver a bold, new vision of science fiction with *MINISTRY OF COMPLIANCE*.

David Mazzucchelli's Batman Year One Artist's Edition

Written by FRANK MILLER;
Illustrated by DAVID MAZZUCHELLI

In 1986, Frank Miller and David Mazzucchelli produced this groundbreaking reinterpretation of the origin of Batman: who he is and how he came to be. In his first year on the job, Batman feels his way around a Gotham City far darker than the one he left.

This edition includes the complete graphic novel and a new introduction by David Mazzucchelli. All of Mazzucchelli's layouts are presented, giving true insight into a master storyteller's process from initial spark to completed page.

Cheer courtside for a Muslim teen as she joins an all-girls, hijab-wearing basketball team and learns that she's much more than a score. This energetic graphic novel is inspired by a true story!

We Are Big Time

(A Graphic Novel)

Written by HENA KHAN;

Illustrated by SAFIYA ZERROUGUI

Aliya is new to Wisconsin, and everything feels different than Florida. The Islamic school is bigger, the city is colder, and her new basketball team is...well, they stink.

Aliya's still excited to have teammates (although the team's captain, Noura, isn't really Aliya's biggest fan), and their new coach really understands basketball (even if she doesn't know much about being Muslim). This season should be a blast...if they could just start to win. As they strengthen their skills on the court, Aliya and the Peace Academy team discover that it takes more than talent to be great—it's teamwork and self-confidence that defines true success.

For fans of *The Crossover* and *Roller Girl*, this graphic novel goes big with humor and heart as it explores culture and perceptions, fitting in and standing out, and finding yourself, both on and off the court.

Skeleanor the Decomposer

A Graphic Novel

Written by EMILY ETLINGER;
Illustrated by EMILY ETLINGER

An instantly charming and vivid chapter-book graphic novel, starring a music-obsessed skeleton, Skeleanor, and her quest to find her sound (and her confidence) by debut creator Emily Ettliger.

Skeleanor loves music more than life itself. There's just one problem: She has a bit more rattle than rhythm at the moment. No matter what type of instrument she plays—from the fiddle to the xylobone—she always seems to scare the people of Little Casketon away. But with the Little Casketon Summershine festival coming up, and the town band missing a player, maybe Skeleanor (along with the help of her best friend, Batima) could show people her skills and finally take center stage.

H.P. Lovecraft's most famous horror story, rendered in chilling detail by modern manga horror master Gou Tanabe!

H.P. Lovecraft's The Call of Cthulhu (Manga)

Adapted by GOU TANABE;
Illustrated by GOU TANABE;
Translated by ZACK DAVISSON

The complete graphic novel in one volume, faithfully reproducing the original Japanese release, featuring a title page in silver ink, eight pages in full color, and eerie metallic copper tones and spot color on the cover.

What links together two bands of worshippers, one deep in the Arctic snows, one hidden in the bayous of Louisiana, is more than their shared practice of blood sacrifice.

It is the inhuman phrase they both chant: Ph'nglui mglw'nafh Cthulhu R'l'yeH wgah'nagl fhtagn—"In his house at R'l'yeH dead Cthulhu waits dreaming." Now these nightmares will disturb the sanity of Francis Thurston, a young man pursuing an investigation into the cult of Cthulhu that leads to the most forsaken spot in the vast Pacific... and to Earth's supreme terror, the risen corpse-city of R'l'yeH.

Marvel: What If . . . Wanda Maximoff and Peter Parker Were Siblings? (A Scarlet Witch & Spider-Man Story)

Written by SEANAN MCGUIRE

All Wanda has ever known is her friendly little neighborhood in Queens. As an infant, after her parents died, she was adopted into a family where her doting Aunt May and Uncle Ben would always be at the breakfast table. One that includes her idiot brother, Peter Parker, who thinks hiding a spider bite, joining a secret fight club, and becoming a super hero are somehow good ideas.

When Wanda's own powers emerge, blood, chaos, and suspicion follow in their wake. But as she learns to harness her power under the guidance of Doctor Strange, Peter is standing beside her in the Sanctum Sanctorum. And as they try to protect New York City, the Parker siblings learn that with great powers, there must also come great responsibilities—and greater losses.

Reeling from tragedy, Wanda finds herself truly alone for the first time in her life. Peter is lost to his own grief, and so she must forge ahead on her own. But on her first solo outing, she runs into a mysterious speedster—a man named Pietro. And everything she has ever known shatters like glass.
