Hello comic retailers and fans!

Welcome to PRH Panels, the Penguin Random House catalog for the Direct Market, highlighting the incredible graphic novels, manga, games, and more that debut every month. We can't wait for you to find the next story to inspire and entertain you, and the latest games and gifts to bring you together.

In the category spotlight section, we're highlighting great kids & YA back to school reads like *Doodles from the Boogie Down*, *Picture Day*, and *March: Book One*. We're also spotlighting tie-ins to recent and upcoming movies and TV like *Marvel-Verse: Deadpool & Wolverine*, *Harleen*, and *Wind Breaker 1*.

Our Comics section features *Imbokodo* by Thabiso Mabanna, Thabo Rametsi, and Katlego Motaung! In the empire of Monomotapa, Queen Nyameka commands the greatest warriors in all of Ndawo, the IMBOKODO. Here, a nameless woman will fight to secure her place amongst the Imbokodo—to stand for the Queen, the Empire, and for the freedom of all her people.

In our Graphic Novels section, we're spotlighting *Final Cut*, a new graphic novel from the critically acclaimed creator of *Black Hole*, Charles Burns. Aspiring filmmaker Brian, his best friend Jimmy, Jimmy's friend Tina, and Laurie set off to a remote cabin in the woods with an old 8 millimeter camera to make a true sci-fi horror movie. But as Brian's affections for Laurie go seemingly unreciprocated, Brian writes and draws himself into a fantasy where she is the girl of his dreams, his damsel in distress, and his savior wrapped into one.

Our Kids & YA section highlights a brand new story about one of Dr. Seuss' most iconic characters in *Dr. Seuss Graphic Novel: The Grinch Takes a Vacation*. It's vacation time in Whoville but The Grinch doesn't understand...what is a vacation? Determined to learn what the Whos seem so excited about, The Grinch decides to give a vacation a try! Unfortunately the mountains are too snowy, the beach is too sandy and the theme park is too loud. Will there be some fun in the sun for everyone's favorite Grinch?

Our Manga, Manhwa, & Manhua section includes the highly anticipated print edition of an extremely popular webcomic in *Under the Oak Tree: Volume 1 (The Comic)*! When stuttering Lady Maximilian is forced to marry Sir Riftan, her stumbling communication and his gruff manner sour their relationship before it can begin. Riftan leaves for war the morning after their disastrous wedding night, and it's three years before Maxi sees him again. Now, the husband she barely knows is a war hero. And when he comes home to claim her, Maxi will need to master her own bewildering desire before she can hope to become the true mistress of their enormous castle estate.

In our Games & Gift section we're featuring the perfect gift for any futurama fan in *Futurama Presents: Bender's Guide to Life*. This hilarious guide on being human by Bender himself features original art and questionable advice for the ages from all your Futurama favorites including Fry, Leela, Amy, and yes, Bender himself. And even some from Dr. John Zoidberg.

All this and much, much more can be found in this month's PRH Panels. Don't hesitate to explore this catalog and find the perfect new book! Final Cut

Written by CHARLES BURNS

The beloved and award-winning author of *BLACK HOLE*'s haunting and visually arresting story of an artist's obsessions, and the value and cost of pushing the boundaries of creativity

As a child, Brian and his friend Jimmy would make sci-fi films in their yards, convincing their friends to star as victims of grisly murders, smearing lipstick on the "bodies" to simulate blood. Now a talented artist and aspiring filmmaker, Brian, along with Jimmy, Jimmy's friend Tina, and Laurie—his reluctant muse—sets off to a remote cabin in the woods with an old 8 millimeter camera to make a true sci-fi horror movie, an homage to Brian's favorite movie: *Invasion of the Body Snatchers*. But as Brian's affections for Laurie go seemingly unreciprocated, Brian writes and draws himself into a fantasy where she is the girl of his dreams, his damsel in distress, and his savior wrapped into one. Rife with references to classic sci-fi and horror movies and filled with panels of stunning depictions of nature, film and the surreal, Burns blurs the line between Brian's dreams and reality, imagination and perception. *Final Cut* is an astonishing look at what it means to truly express oneself through art.

A Child in Palestine

The Cartoons of Naji al-Ali

Written by NAJI AL-ALI

Naji al-Ali grew up in the Palestinian refugee camp of Ain al-Hilweh in the south Lebanese city of Sidon, where his gift for drawing was discovered by the Palestinian poet Ghassan Kanafani in the late 1950s.

Resolutely independent and unaligned to any political party, Naji al-Ali strove to speak to and for the ordinary Arab people; the pointed satire of his stark, symbolic cartoons brought him widespread renown. Through his most celebrated creation, the witness-child Handala, al-Ali criticized the brutality of Israeli occupation, the venality and corruption of the regimes in the region, and the suffering of the Palestinian people, earning him many powerful enemies and the soubriquet “the Palestinian Malcolm X”.

Appendix N, revised and expanded edition

Weird Tales From the Roots
of Dungeons & Dragons

Edited by PETER BEBERGAL;
Afterword by ANN VANDERMEER

Drawing upon the original list of “inspirational reading” provided by Gary Gygax in the first Dungeon Master’s Guide, published in 1979, as well as hobbyist magazines and related periodicals that helped to define the modern role-playing game, *Appendix N* offers a collection of short fiction and resonant fragments that reveal the literary influences that shaped Dungeons & Dragons, the world’s most popular RPG. The stories in *Appendix N* contextualize the ambitious lyrical excursions that helped set the adventurous tone and dank, dungeon-crawling atmospheres of fantasy roleplay as we know it today.
