## Hello comic retailers and fans!

Welcome to PRH Panels, the Penguin Random House catalog for the Direct Market, highlighting the incredible graphic novels, manga, games, and more that debut every month. We can't wait for you to find the next story to inspire and entertain you, and the latest games and gifts to bring you together.

In the category spotlight section, we're highlighting spooky season reads like *Dark Spaces: Good Deeds, Hallows' Eve*, and *Hellboy: The Crooked Man & The Return of Effie Kolb*. We're also spotlighting our 2024 Trick-or-Read titles like *Spider-Boy: The Web-Less Wonder*, *Venom: Bedlam*, and *Spidey & His Amazing Friends*. These make perfect freebies to hand out in October and we have a great mix of kids, teen, and adult titles.

Our Comics section features *Teenage Mutant Ninja Turtles x Naruto #1* by Caleb Goellner and Hendry Prasetya! When teenage reporter April O'Neil has a clandestine meeting with Tsunade, the leader of the Hidden Leaf Village, it garners the attention of Naruto, Sasuke, Sakura, and Kakashi. They aren't the only ones who are wondering what the two women were discussing, though. The sinister Foot Clan have their own interest in April's visit, as they think she might hold the valuable information on mutation research being conducted by the scientist Baxter Stockman. With April caught between the forces of the Hidden Leaf Village and the Foot Clan, it can't be long before the Teenage Mutant Ninja Turtles show up to lend her a hand!

In our Graphic Novels section, we're spotlighting *Castle Swimmer: Volume 1*, the gorgeous first installment of the hit Webtoon series *Castle Swimmer*. From the moment Kappa tumbles into existence on the ocean floor, his life's purpose is already decided for him: He is the Beacon, a light to all sea creatures, and destined to fulfill their many prophesies. In high demand and under immense pressure, Kappa quickly realizes that fame and glory are small compensation for a life of predetermined self-sacrifice.

Our Kids & YA section highlights *Stranger Things: The Dustin Experiment*. Follow *Stranger Things* fan favorite Dustin Henderson on a journey that takes him beyond Hawkins. After the tragedy at the Starcourt Mall, he's ready for life to return to normal, but things feel different. Some friends have moved away. Others are still in town but growing distant. Dustin thinks entering a science competition will make everything like it used to be, but will Lucas and Mike join him? Or will he have to rely on a charismatic metalhead named Eddie?

Our Manga, Manhwa, & Manhua section includes the new prequel manga to the smash-hit soccer action series *Blue Lock!* In *Blue Lock: Episode Nagi*, how does a listless slacker who thinks everything's a huge pain turn into one of Japan's top scorers? Second-year high school student Reo Mikage wants nothing more than to escape his illustrious family's shadow by becoming a soccer star and winning the World Cup. The only thing that's missing is a talented diamond in the rough who can help him achieve his dream. That's when he sets his sights on Seishiro Nagi, a notorious slacker whose quick reflexes are the only hint of athletic ability. Can Reo find the switch to awaken the beast inside Nagi?

Our Prose are featured in their own section in this edition of PRH Panels and we're spotlighting *Batman: Resurrection*. This novel continuation of Tim Burton's 1989 *Batman* is a must read for fans of the film. Remnants from The Joker's gang are leading wannabes fascinated by his bizarre mystique on a campaign of arson that threatens the city. Bruce Wayne is forced into action, prompting a partnership with a charismatic scientist to help solve the health crisis. Having told the people of Gotham City that they'd earned a rest from crime, Batman finds the forces of evil growing ever more organized—and orchestrated—by a sinister hand behind the scenes.

In our Games & Gift section we're featuring the perfect gift for any TMNT fan, *Teenage Mutant Ninja Turtles: The Kevin Eastman Covers (2015-2019)*. This second deluxe edition collects TMNT co-creator Kevin Eastman's comic book cover art for the various IDW Turtles series from 2015 to 2019! This collection contains Eastman's cover art from issues #51-100 of the ongoing TMNT series, *Dimension X*, *Shredder in Hell*, *Teenage Mutant Ninja Turtles Universe*, *Urban Legends*, and more!

### The World of Lore: Dreadful Places

Written by AARON MAHNKE

Join Aaron Mahnke, the host of the popular podcast Lore, as he explores some of these dreadful places and the history that haunts them.

Mahnke takes us to Colorado and the palatial Stanley Hotel, where wealthy guests enjoyed views of the Rocky Mountains at the turn of the twentieth century—and where, decades later, a restless author would awaken from a nightmare, inspired to write one of the most revered horror novels of all time. Mahnke also crosses land and sea to visit frightful sites—from New Orleans to Richmond, Virginia, to the brooding, ancient castles of England—each with its own echoes of dark deeds, horrible tragedies, and shocking evil still resounding.

### The World of Lore: Monstrous Creatures

Written by AARON MAHNKE

They live in shadows—deep in the forest, late in the night, in the dark recesses of our minds. They're spoken of in stories and superstitions, relics of an unenlightened age, old wives' tales, passed down through generations. Yet no matter how wary and jaded we have become, as individuals or as a society, a part of us remains vulnerable to them: werewolves and wendigos, poltergeists and vampires, angry elves and vengeful spirits.

In this beautifully illustrated volume, the host of the hit podcast Lore serves as a guide on a fascinating journey through the history of these terrifying creatures, exploring not only the legends but what they tell us about ourselves.
