Direct Market Ordering Catalog for Products Shipping in March and Beyond

Hello comic retailers and fans!

Welcome to PRH Panels, the Penguin Random House catalog for the Direct Market, highlighting the incredible graphic novels, East Asian comics, games, and more that debut every month. We can't wait for you to find the next story to inspire and entertain you, and the latest games and gifts to bring you together.

In the category spotlight section, we're celebrating Women's History Month with some great titles that center women characters, creators, themes, and teach women's history from around the world. Check out books like *Doodles from the Boogie Down*, *Witch Hat Atelier 1*, *Captain Marvel by Kelly Sue DeConnick Omnibus*, and *Woman, Life, Freedom* by Marjane Satrapi (*Persepolis*). In addition, to celebrate Dr. Seuss's birthday in March, we have a list of essential Dr. Seuss books. Including, *The Cat in the Hat*, *Dr. Seuss Graphic Novel: The Grinch Takes a Vacation*, *Oh, the Places You'll Go!*, and *Cook It! The Dr. Seuss Cookbook for Kid Chefs*.

This month, we are featuring the comic *The Great British Bump-Off: Kill or Be Quilt #1* from Dark Horse. A new cozy mystery from *Giant Days'* John Allison and Max Sarin following up to their hit baking murder mystery *The Great British Bump-Off*. Surely there is no vacation more drama-free than a boating holiday along the sleepy canals of Yorkshire? Oh, you'd think so. Sadly, for Shauna Wickle, it's tough to escape poisonous small-town rivalries (and sultry romantic entanglements) when travelling at a steady two to three miles per hour. And to make things worse, she's about to find out how ruinously expensive a hastily-tied knot can be.

In our Graphic Novels section, we're spotlighting *Tongues, Volume 1* by Anders Nilsen, the three-time Igantz award-winning artist and author of *Big Questions*. Set in a version of modern Central Asia, *Tongues* is a retelling of the Greek myth of Prometheus. It follows the captive god's friendship with the eagle who carries out his daily sentence of torture and chronicles his pursuit of revenge on the god that has imprisoned him. **Pantheon is offering a special promo to retailers who order *Tongues* by its FOC date, 2/10/2025. Promo eligible stores who order a minimum of 5 units of the book will receive a matching quantity of signed bookplates by Nilsen. There is no need to sign up for this promo.**

For our Kids & YA section this month, we are spotlighting *A Song for You and I*. A new must-read MG graphic novel for fans of soft sweeping fantasy romances from the bestselling author of *The Moth Keeper* and the *Tea Dragon Society*. Rowan knows exactly what they want: to be a ranger, protecting their village alongside their trusted flying horse Kes. But when Rowan's eagerness to show off their worth gets Kes injured, Rowan is suddenly unsure if they're capable of being the protector they've always dreamed of becoming. **And be sure not to miss the 6-copy prepack option that comes with a character standee!**

This month in our East Asian Comics section we are highlighting *Punks Triangle*, a Boys' Love romcom about fanboys and hidden identities. A young designer dreams of creating a look for his favorite model and finally gets his chance—unless his class partner screws things up! Caught between the alluring, mysterious model he worships and a clumsy, rough-around-the-edges classmate who can't seem to stay out of trouble (but may be hiding a surprising secret), Chiaki faces a heart-pounding, pure boy's love dilemma that will turn his world upside down!

This month we are also bringing back our Prose section to highlight *Breaking the Dark: A Jessica Jones Marvel Crime Novel*. In her most imaginative novel yet, *#1 New York Times* bestselling author Lisa Jewell (*None of This Is True*) launches the Marvel Crime series of thriller books for adults with an original story starring the private detective, Jessica Jones. And lastly, in our Gifts and Games section we are featuring *Dark Fairy Tales*, a coloring quest unlike any other. Explore the wicked side of folktales in this brand-new collection from the bestselling illustrator Kerby Rosanes.

All this and much, much more can be found in this month's PRH Panels. Don't hesitate to explore this catalog and find the perfect new book! As always, retailers who have any questions about the ordering process or would like to open an account with PRH, are encouraged to email us at comicmarketUS@penguinrandomhouse.com.

Tongues, Volume 1

Written by ANDERS NILSEN

“An extraordinary reinvention of some of our oldest stories. Nilsen brings these old gods to an electrifying new life, and gives us a new sense of humanity as well.”

—Alexander Chee, author of *How to Write an Autobiographical Novel*

“Mind-bendingly good. It’s up there with *Maus*, *Fun Home*, *Persepolis*, *Jimmy Corrigan*.”

—Mark Haddon, author of *The Curious Incident of the Dog in the Night-Time*

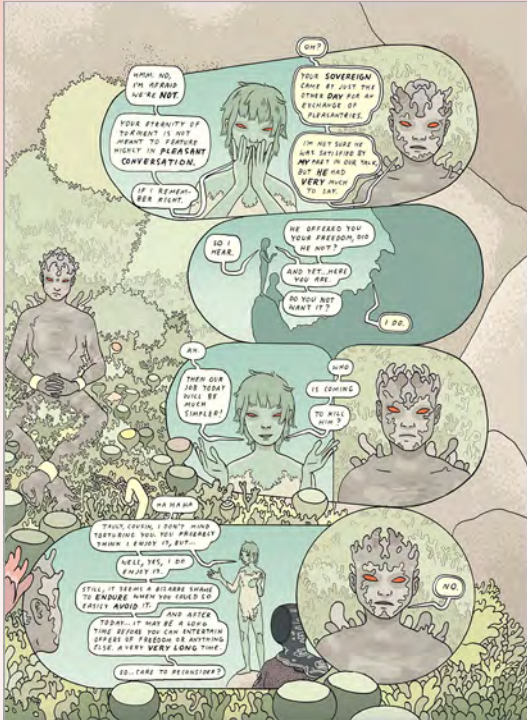

Set in a version of modern Central Asia, *Tongues* is a retelling of the Greek myth of Prometheus. It follows the captive god’s friendship with the eagle who carries out his daily sentence of torture and chronicles his pursuit of revenge on the god that has imprisoned him.

Prometheus’s story is entwined with that of an East African orphan on an errand of murder, and a young man with a teddy bear strapped to his back, wandering aimlessly into catastrophe (a character readers may recognize from Nilsen’s *Dogs and Water*). The story is set against the backdrop of tensions between rival groups in an oil-rich wilderness.

Tongues is both an adventure story and a meditation on human nature in our present fraught, historical moment.

Her days may not be as exciting as the swash-buckling stories of her favorite books or as dramatic as the pasts she's imagined for herself, but they're as safe as Shatterspace can manage. Written by TESSA GRATTON

The reunited Jedi prepare to strike back against the ruthless Nihil in this thrilling sequel to *Star Wars: The Eye of Darkness*.

For over a year, Jedi Masters Avar Kriss and Elzar Mann were kept apart by the Nihil's Stormwall. After Avar makes a daring escape from inside the Occlusion Zone, the star-crossed Jedi are reunited. But while the physical distance between them has evaporated, their shared grief over their failure to protect the galaxy from the Nihil threat remains. Accompanied by Jedi Knights Bell Zettifar, Burryaga, and Vernestra Rwoh, the Jedi begin their hunt for Marchion Ro. But to seek out the Nihil's dangerous leader, the Jedi will have to survive the Nameless terrors that thus far they have been powerless to stop.

A Gentleman's Gentleman

A Novel

Written by TJ ALEXANDER

From the acclaimed author of *Chef's Kiss*, a groundbreaking trans Regency romance that's both delightfully witty and refreshingly iconoclastic.

"This is a beautiful—and wonderfully queer—romance that reminds us of all the many sorts of love stories this genre can encompass, and reading it felt like a gift." —Martha Waters, author of *To Love and to Loathe*

With its heady combination of dry wit, slow-burn romance, and a nuanced portrait of trans identity, *A Gentleman's Gentleman* stands to transform the historical romance genre as we know it.
