Direct Market Ordering Catalog for Products Shipping in June and Beyond

Hello comic retailers and fans!

Welcome to PRH Panels, the Penguin Random House catalog for the Direct Market, highlighting the incredible graphic novels, East Asian comics, games, and more that debut every month. We can't wait for you to find the next story to inspire and entertain you, and the latest games and gifts to bring you together.

In the category spotlight section, we've got everything you need for Caribbean American Heritage Month, Juneteenth, and Pride Month in June. In our Pride spotlight, we have an exciting and exclusive offer for Direct Market retailers for the work of award-winning cartoonist Mattie Lubchansky. **Check out how you can be eligible to receive a free bundle of a new one-shot comic that ties into the world of Lubchansky's upcoming graphic novel, *Simplicity*.** We also have a Summer Reading guide with recommendations for bestselling standalone stories and jumping-on points—perfect to take on vacation or to the beach!

In our Comics section this month, we are spotlighting *Texarcantum #1* by Christopher Monfette and illustrated by Miguel Martos. The new Dark Horse comic is a monster-of-the-week adventure with horror elements based on mythology. America is a melting pot for the supernatural. Ghosts and gods, angels and demons, horror stories and tall-tales, they've traveled from across the globe to collide in the rural Heartland... and cowboy arcanist Avery Belle has spent a very long lifetime amongst them. Horror noir meets Elmore Leonard in the mystic Mid-West.

In our Graphic Novels section, we're spotlighting *It Rhymes With Takei*. Following the award-winning bestseller *They Called Us Enemy*, George Takei's new full-color graphic memoir reveals his most personal story of all—told in full for the first time anywhere! George Takei has shown the world many faces: actor, author, outspoken activist, helmsman of the starship Enterprise, living witness to the internment of Japanese Americans, and king of social media. But until October 27, 2005, there was always one piece missing—one face he did not show the world. There was one very intimate fact about George that he never shared...and it rhymes with Takei.

Additionally, between our Comics and Graphic Novel sections, we're getting ready to kick off the Summer of Superman on April 18th with recommendations for bestselling titles featuring the Man of Steel. Including the upcoming *Superman: The World* by Dan Jurgens, *Superman For All Seasons*, and the *DC Compact Comics Editions* of *All-Star Superman*, *Superman: Birthright*, and *Superman/Batman*.

Our Kids & YA section is spotlighting TOKYOPOP's *Disney Manga: The Pixar Collection*. This unique Box Set includes the following 4 previously released Disney Manga Pixar titles (*Toy Story*, *Finding Nemo*, *Wall-E* and *Monsters Inc.*) at a great value. This is the perfect boxed set to build a Disney Manga shelf or kids section around!

In our East Asian Comics section, we're spotlighting *Issak Omnibus 1 (Vol. 1-2)*. The digital hit samurai epic comes to print in 2-in-1 omnibuses! This historical action manga follows a Japanese warrior's journey to Europe in search of vengeance, at the height of the Thirty Years' War. *Vinland Saga* meets *Shogun* in this American Manga Awards-nominated masterwork. And you can read a preview in Kodansha's Free Comic Book Day sampler—still available to order in bundles of 20.

Our prose section this month is spotlighting *Worth Fighting For*, a modern reimagining of the Disney classic *Mulan* that romance readers will fall head-over-heels for! Laugh and swoon with the next book in Disney's Meant to Be collection by bestselling and award-winning author Jesse Q. Sutanto. And our gifts & games section this month spotlights *The Eras Pour*. Raise a glass to Taylor Swift with 60 cocktail recipes inspired by every era, including riffs off greatest hits, twists on her favorite drinks, callouts to iconic moments in Swiftie history, and an abundance of fan-service Easter eggs, plus 20 alcohol-free options. This is a must-have gift book for any fans of the iconic pop star!

All this and much, much more can be found in this month's PRH Panels. Don't hesitate to explore this catalog and find the perfect new book! As always, retailers who have any questions about the ordering process or would like to open an account with PRH, are encouraged to email us at comicmarketUS@penguinrandomhouse.com.

Wishing you the very best,

It Rhymes With Takei

Written by GEORGE TAKEI,
STEVEN SCOTT and
JUSTIN EISINGER;
Illustrated by HARMONY BECKER

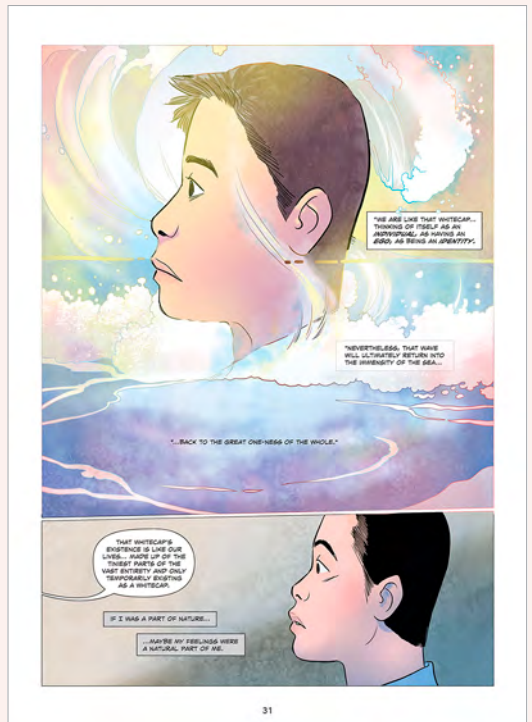

George Takei has shown the world many faces: actor, author, outspoken activist, helmsman of the starship Enterprise, living witness to the internment of Japanese Americans, and king of social media. But until October 27, 2005, there was always one piece missing—one face he did not show the world. There was one very intimate fact about George that he never shared...and it rhymes with Takei.

Now, for the first time ever, George shares the full story of his life in the closet, his decision to come out as gay at the age of 68, and the way that moment transformed everything. Combining historical context with intimate subjectivity, *It Rhymes with Takei* shows how the personal and the political have always been intertwined. Its richly emotional words and images depict the terror of entrapment even in gay community spaces, the anguish of speaking up for so many issues while remaining silent on his most personal issue, the grief of losing friends to AIDS, the joy of finding true love with Brad Altman, and the determination to declare that love openly—and legally—before the whole world.

A modern reimagining of the Disney classic *Mulan* that romance readers will fall head-over-heels for!

Worth Fighting For

Written by JESSE Q. SUTANTO

Laugh and swoon with the next book in Disney's Meant to Be collection by bestselling and award-winning author Jesse Q. Sutanto, whose novel *Dial A For Aunties* Emily Henry called "Utterly clever, deeply funny, and altogether charming."

As the right hand of her father's private equity company, Fa Mulan knows what it takes to succeed as a woman in a man's world: work twice as hard, be twice as smart, and burp twice as loud as any of the other finance bros she works with. So when her father unexpectedly falls ill in the middle of a critical acquisition, she is determined to see it through. There's just one hitch: the family company in question is known for its ultra masculine whiskey brand, and the brood of old-fashioned aunts, uncles, and cousins who run it—lead by the dedicated but overworked Shang—will only trust Mulan's father, Fa Zhou, with the future of their business.

Rather than fail the deal and her father, Mulan pretends she's Fa Zhou. Since they've only corresponded over email, how hard could it be to keep things moving in his absence?

Can she keep her head in the game and make her father proud, all while trying not to fall into a trough, or in love with Shang?

John misses playing in a band, and mostly he misses Micah, who'd been his best friend until the music stopped. Now, over a decade later, the band is reuniting for one more performance on a themed cruise, and Micah is determined to learn from her past mistakes—no losing herself in the music, and no losing her heart along the way. John's never been one to rock the boat, but he's faced with another chance now that this cruise has brought music—and Micah—back in his life.

The Last Illusion of Paige White

A Novel

Written by VANESSA McCAUSLAND

“Compelling, haunting, and beautifully written... a clever, page-turning modern mystery as well as a thoughtful exploration of female friendship, family dynamics, and the complex impact of social media on self-identity.”

—Liane Moriarty, #1 *New York Times* bestselling author

“Maybe this limbo I’m in is me needing to atone for my sins. Maybe I need to go back and remember my life but be more honest with myself this time. Because, stuck in this hazy, perfect world of my own creation, I know that I haven’t been all that honest.”

Told partially through Paige’s reflections on her life from limbo, *The Last Illusion of Paige White* is a smart, introspective, impeccably-plotted mystery that will have readers second-guessing what is truth and what is illusion, and their own obsessions with their online worlds.

Between the World and Me

Written by TA-NEHISI COATES

Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden?

Between the World and Me is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son.

The Island of Doctor Moreau

A Novel

Written by H.G. WELLS;

Introduction by ELIZABETH KOLBERT

Ranked among the classic novels of the English language and the inspiration for several unforgettable movies, this early work of H. G. Wells was greeted in 1896 by howls of protest from reviewers, who found it horrifying and blasphemous. They wanted to know more about the wondrous possibilities of science shown in his first book, *The Time Machine*, not its potential for misuse and terror. In *The Island of Dr. Moreau* a shipwrecked gentleman named Edward Prendick, stranded on a Pacific island lorded over by the notorious Dr. Moreau, confronts dark secrets, strange creatures, and a reason to run for his life.
