Visionary Writer **Jude Ellison S. Doyle**
Returns To BOOM! Studios With His **Most
Subversive Work Yet**

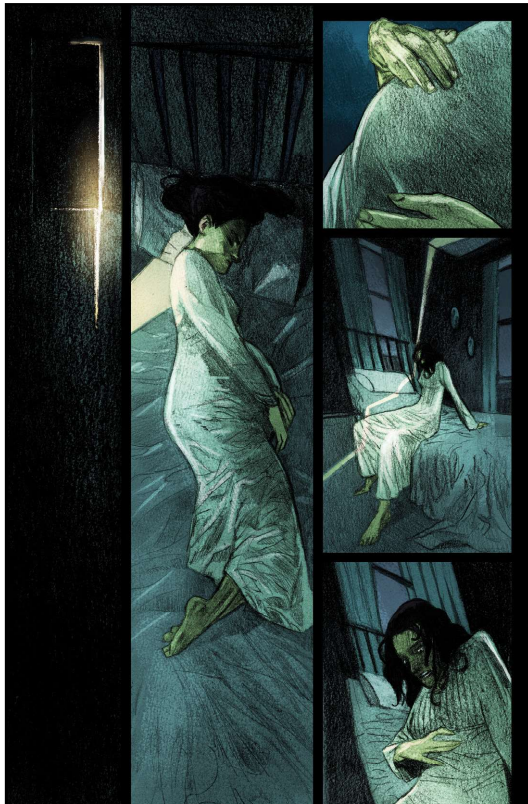

Cora Reims lived the isolated life of a simple farm girl, until one fateful summer day, prophetic visions brought her a visitor made of pure light... an angel. In the aftermath, Cora gave birth to a child, a Nephilim: the offspring of an angel and a human woman, seemingly imbued with evil itself.

17 years later, that child's cherubic appearance can no longer hide his monstrous nature. Frogs boil in their skins as he passes. Crops rot. The townspeople live in fear, knowing that atrocities follow closely behind him.

Now, on the eve of his 18th birthday, Cora receives a new vision... Heaven itself has called upon her to destroy the abomination born of her own flesh and blood.

Be Not Afraid is a breathtaking new series from visionary writer **Jude Ellison S. Doyle** (*Maw*, *Hello Darkness*) and acclaimed artist **Lisandro Estherren** (*Nightmare Country*, *Redneck*).

Equal parts feminist rage and folk horror, this descent into Hell itself is fueled by the mythological underpinnings of American Evangelical tradition, presenting brutal cosmic horror through the lens of Southern Gothic; a truly otherworldly journey that cannot be missed.

TRAINED TO TRUST NO ONE...

Butterfly is one of Project Delta's deep cover agents: no birth certificate, no social security number, an identity malleable to what is necessary for the mission.

When she is set up for a murder she did not commit, she is unknowingly led to her father's doorstep, a man she thought died 20 years ago. Codenamed Nightingale, her father was once a member of the very same Project Delta, a spy in the violent aftermath of the Cold War who believes the Project is behind her set-up.

Butterfly must decide whether to seek answers with the Project, or believe the man who betrayed her years ago.

Created by **Arash Amel**, written by **Marguerite Bennett** (*A-Force*), and illustrated by **Antonio Fuso** (*The Girl Who Played With Fire*) and **Stefano Simeone**, **Butterfly** is a dark thriller exploring the tension of family amidst the violent world of global espionage.

This new and expanded version reveals even darker secrets from the clandestine world of spies and assassins, and features an exclusive behind-the-scenes look at the Amazon Prime TV series starring **Daniel Dae Kim**.
