A generation of readers was enraptured by this instant classic title, eagerly awaiting its return to print after 25 years! Longtime fans and new kid readers will love getting lost in time as they enter the Cave of Time.

YOU are hiking in Snake Canyon when you find yourself lost in a strange, dimly lit cave. Depending on which of the curving paths you take, you'll emerge into a different moment in history. Will you be adopted into a band of early humans and hunt down a woolly mammoth? Will you be captured by medieval knights and put on trial before a king?
