Direct Market Ordering Catalog for Products Shipping in July and Beyond

## Hello comic retailers and fans!

Welcome to PRH Panels, the Penguin Random House catalog for the Direct Market, highlighting the incredible graphic novels, East Asian comics, games, and more that debut every month. We can't wait for you to find the next story to inspire and entertain you, and the latest games and gifts to bring you together.

In the category spotlight section, you can get started early on your Halloween buying or stock up for a Summerween display. We've got spooky titles for all ages across categories like adult graphic novels, kids books, Young Adult titles, Media Tie-Ins and more! Get the heart racing with *Something is Killing the Children Vol. 1*, *Sweet Valley Twins: The Haunted House*, *Berserk Deluxe Volume 1*, *Aliens: What If...?*, or dive into a horror classic like *Frankenstein* or *H.P. Lovecraft's The Call of Cthulhu (Manga)*.

In our Comics section, we are keeping the summer frights going with *Beneath the Trees Where Nobody Sees: Rite of Spring #1*—the six-issue return of the Eisner-nominated cozy horror smash hit! Join visionary writer and artist Patrick Horvath for one of the most anticipated comics of 2025. In addition, explore the world of Frank Herbert's *Dune* in BOOM! Studios' *Dune: Edge of a Crysknife: Hiding Among Harkonnens #1*. A perfect next read for fans of the classic sci-fi book series and the Oscar-nominated, blockbuster film adaptations. And from Mark Millar, we are also spotlighting *Nemesis Forever #1*. Don't miss the return of Millarworld's most popular character, with incredible artwork by Matteo Scalera.

In our Graphic Novels section, we're spotlighting Mattie Lubchansky's highly anticipated graphic novel, *Simplicity*. From the acclaimed author of horror sensation *Boys Weekend*, *Simplicity* is a vibrant new graphic novel about a timid academic sent out from the walled dystopian security territory of New York City to investigate a cult in the wilds of the Catskill Mountains. Retailers that are participating in our promotion with Pantheon for Mattie Lubchansky's work will receive an exclusive digital marketing kit and a bundle of a free one-shot comic to be given out to customers who buy *Simplicity*. The promo one-shot, *Escape from Zillionaire Island*, is set in the same world as *Simplicity*. We also want to call out Inklore's upcoming reissues of the groundbreaking graphic novel fantasy series, *Flight*. The first two volumes are spotlighted in this catalog.

Additionally, between our Comics and Graphic Novel sections, get excited for the Fantastic Four's introduction into the Marvel Cinematic Universe. We have backlist title recommendations for the Marvel's first family that will get your customers into your store after seeing *The Fantastic Four: First Steps* in theaters on July 25th. Get classics and bestsellers like *Fantastic Four: Grand Design*, *Doctor Doom: Books of Doom*, *Fantastic Four The Ultimate Guide*, and the Penguin Classics *Fantastic Four*.

Our Kids & YA section this month spotlights *Superman's Good Guy Gang*. Clark Kent befriends fellow super powered kids—Hawkgirl and Guy Gardner—for a super team up that is guaranteed to delight fans of the *Superman* movie in DC's debut early readers graphic novel. This is a great kid-friendly introduction to the characters that will appear in the upcoming film.

In our East Asian Comics section, we're spotlighting *AKIRA Hardcover Collection 1*. The epic, timeless hit that inspired the legendary anime film and made the word "manga" part of the global vocabulary returns in a new hardcover edition!

Our prose section this month is spotlighting *Tusk Love*—a Critical Role romantasy novel that fans have been dying to read. A merchant's daughter who yearns for adventure gets more than she bargained for when she falls for a broodingly handsome stranger in this saucy romantasy from the *New York Times* bestselling author of *The Hurricane Wars*. And in our Games & Gift section we've got a unique combination of role-playing and prose in *Roll for Danger: The Cursed Catacombs*. Adventure awaits in this middle-grade fantasy series that invites young readers to step into the shoes of the story's hero with dice-rolling D&D-style mechanics that allows readers to make choices that affect the narrative.

All this and much, much more can be found in this month's PRH Panels. Don't hesitate to explore this catalog and find the perfect new book! As always, retailers who have any questions about the ordering process or would like to open an account with PRH, are encouraged to email us at [comicmarketUS@penguinrandomhouse.com](mailto:comicmarketUS@penguinrandomhouse.com).

## **Simplicity**

A Novel

Written by MATTIE LUBCHANSKY

From the acclaimed author of horror sensation *Boys Weekend*, a vibrant new graphic novel about a timid academic sent out to investigate a cult in the wilds of the Catskill Mountains.

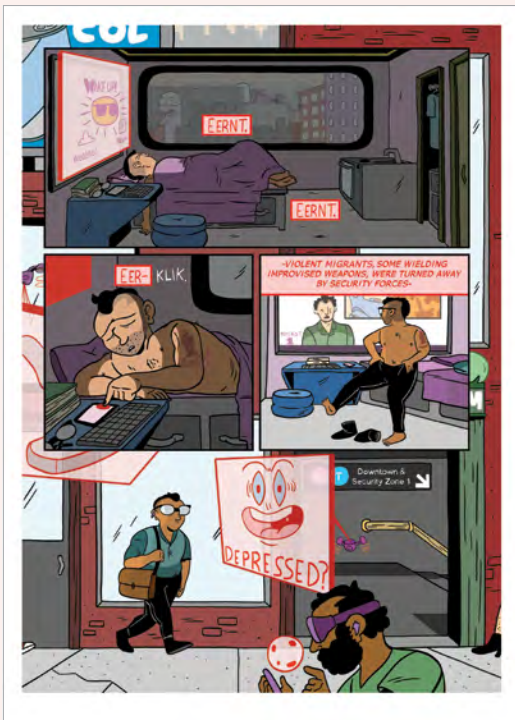

In 1977, a group called The Spiritual Association of Peers decamps to the woods of the Catskills, taking over an abandoned summer camp. They name their new home Simplicity. In 2081, scholar Lucius Pasternak, a fastidiously organized trans man, tries to keep his head down living in the New York City Administrative and Security Territory, which was founded after the formal dissolution of the United States in 2041. Then, he's offered a job by the mayor, billionaire real estate developer Dennis Van Wervel, to complete an anthropological survey of the people of Simplicity for a history museum he's financing. A wary Lucius is nevertheless drawn in by the people of the small wooded community. Then, just as Lucius discovers that Van Wervel's project is more sinister than it seemed, members of the community begin to disappear. The denizens of Simplicity believe that a being they call "The Lamentation" is responsible for the attacks. They'll finally discover the true threat to their way of life—and what they're willing to do to stop it."

## Passing for Human

A Graphic Memoir

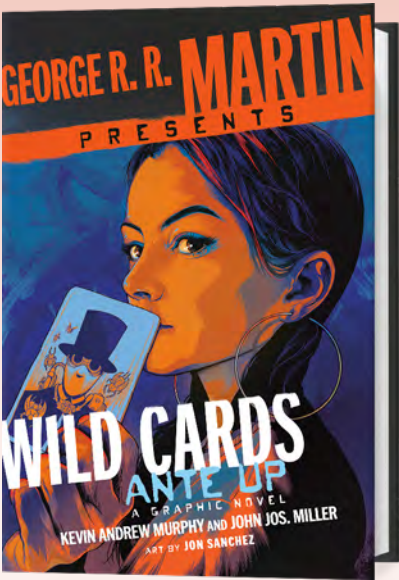

Written by LIANA FINCK

A visually arresting graphic memoir about a young artist struggling against what's expected of her as a woman, and learning to accept her true self, from an acclaimed *New Yorker* cartoonist.

A BEST BOOK OF THE YEAR: *The Guardian*, *New York*, *Refinery29*, *Kirkus Reviews*

*Passing for Human* is what Finck calls “a neurological coming-of-age story”—one in which human connection proved elusive and her most enduring relationships throughout childhood were with plants and rocks and imaginary friends; in which her mother’s creative life had been snuffed out by an unhappy first marriage and a deeply sexist society; in which her father, a doctor, secretly struggled with the guilt of having passed his own form of otherness on to his daughter; and in which, as an adult, Finck finally finds her shadow again—and, with it, her true self.

When reports come in that the Kingpin and a police officer have been killed and that Frank Castle (aka the Punisher) has turned himself in for it, Matt Murdock senses holes in the narratives the media and the streets are quick to run with.

There's no denying that New York is better off without its Kingpin and with the Punisher behind bars. And yet . . . while the Punisher is a murderous vigilante, he doesn't kill cops.

Castle certainly deserves prison for all of the other crimes he has committed in the past. However, Matt's indomitable sense of justice insists that nobody should be locked away for crimes they didn't actually commit. Representing the vigilante in court, Matt enters a contest of wills and guile.

## The Bewitching

Written by SILVIA MORENO-GARCIA

Back then, when I was a young woman, there were still witches": That was how Nana Alba always began the stories she told her great-granddaughter Minerva—stories that have stayed with Minerva all her life. Perhaps that's why Minerva has become a graduate student focused on the history of horror literature and is researching the life of Beatrice Tremblay, an obscure author of macabre tales.

In the course of assembling her thesis, Minerva uncovers information that reveals that Tremblay's most famous novel, *The Vanishing*, was inspired by a true story: Decades earlier, during the Great Depression, Tremblay attended the same university where Minerva is now studying and became obsessed with her beautiful and otherworldly roommate, who then disappeared under mysterious circumstances.

## The Outlander Oracle

A 54-Card Deck and Guidebook

Written by DIANA GABALDON;

Illustrated by KARINA GIADA;

Text by (art/photo books) VALERIE E. FRANKEL

Let the wisdom of Outlander guide and inspire you with this beautifully rendered oracle deck, based on the #1 New York Times bestselling series by Diana Gabaldon.

Drawing on Outlander’s universal themes of love, loss, and fate, these 54 original watercolors include portrait cards that evoke beloved—and sometimes despised—Outlander characters, such as Jamie and Claire as the Lovers, Brianna as the Artificer, and Geillis as the Seductress, as well as attribute cards that call out traits like Healing, Sacrifice, and Transformation.
