The only trouble is, the more Etta uncovers, the more she is determined to find out.

The mystery of *Roots of Madness* goes deeper and deeper, as writer Stephanie Williams (*Street Sharks*; *Nubia & the Amazons*) and artist Letizia Cadonici (*House of Slaughter*) dig further into their tale of cosmic horror!

The Blood Brothers Mother

Written by BRIAN AZZARELLO;
Illustrated by EDUARDO RISSO

In the old American West, three children set off across the wild Texas frontier to rescue their mother—kidnapped by ruthless outlaws who gunned down their preacher father. Throughout their journey, they'll face the harsh elements of an unforgiving landscape, deadly animals hungry for blood, merciless bounty hunters and so much more...all in a relentless quest to rescue their family.

Along the way, they'll learn the terrible cost of revenge—not just in lives, but in how it stains a soul. While revenge may be satisfying in the moment, it leaves a yearning behind that lasts a lifetime. And once you taste it, nothing else is ever so sweet.

In the tradition of *The Searchers* and *The Outlaw Josey Wales* comes a brutal new western series from writer BRIAN AZZARELLO and artist EDUARDO RISSO—the Eisner award-winning team behind the Vertigo crime classic, *100 Bullets* and Image Comics, *Moonshine*!

For fans of *1883*, *BLOOD MERIDIAN*, & *THE GOOD, THE BAD AND THE UGLY*.

The Mass Market Hardcover features the complete four-issue series.

Calamity Before Jane

A TOON Graphic
Written by NOAH VAN SCIVER

Calamity Jane and the stories surrounding her are famous, but this graphic novel for young readers 8 and up is here to tell the story of Martha Jane Canary—the real-life survivor, orphan, and storyteller behind the legend.

In 1901, the Pan-American Exposition World’s Fair was held in Buffalo, New York. Amongst spectacles like advancements in electricity and new inventions like the X-ray machine is a woman with a story—but not the one you’ve heard. Calamity Jane’s life is shrouded in exaggerations and lies told to sell a more marketable version of reality, but cartoonist Noah Van Sciver is here to tell the truth: Martha Jane Cannary struggled throughout her life, from her childhood as a destitute orphan to her bitter adulthood as she watched the West she loved disappear before her eyes.

Thresholds of Digital Gameplay

Written by DANIEL L. GARDNER

How the often-overlooked interfaces, interactions, and inequities on the edges of gameplay are more central to gaming than we realize.

In *Thresholds of Digital Gameplay*, Daniel Gardner demonstrates how a series of interfaces and other elements on the periphery of digital gameplay fundamentally alter the phenomena of gaming. This book examines non-gameplay-centered material or mechanical attachments that surround and enclose gameplay while directing or mediating our experience of it—for example, access controls, character configuration, and microtransactional storefronts.
